About The Club

Celebrating 38 years!

The Jaguar Club of Florida (JCOF) was founded in 1977 by a small group of enthusiasts who had in common the love of ownership, operation and maintenance of the world's most beautiful automobiles - Jaguars. From that modest start with a handful of participants, JCOF has grown to over 200 active members and spouses. JCOF is proudly affiliated with Jaguar Clubs of North America, Inc. (JCNA), an organization comprised of more than sixty clubs throughout the United States, Mexico, and Canada.

Membership in JCOF automatically includes membership in JCNA, subscriptions to both the award-winning JCOF *JAGWire* newsletter and the JCNA *Jaguar Journal* which are delivered bi-monthly, discounts on parts and service at **Jaguar Orlando**, discount on insurance from **Hagerty Insurance**, deep discounts on **JCNA Shoppe** purchases and **Jaguar Heritage Certificates**, discounts from other commercial suppliers such as **SNG Barratt**, and access to the **JCNA tool loan program**. JCOF members participate in a myriad of events including driving venues such as tours, rallies, and slaloms; monthly dinner meetings, Holiday and Summer Parties, annual Concours d'Elegance, and other 'pop-up' events such as car shows, Cars and Coffee get-togethers, and Breakfasts with other car clubs. We encourage family participation and many members bring children and friends to our events.

In addition to the newsletter, we communicate with members about local news and event information through electronic mail updates and our websites and webpages. After joining JCOF, you will receive your membership card from JCNA and a JCOF name tag after attending your first function. If you have any questions regarding membership, please contact the JCOF Membership Chairman:

President's Message

As the year rapidly comes to an end, I'd like to first thank everyone who has contributed hard work and time toward making 2015 another great year for the Jaguar Club of Florida: especially VP Juan Sierra who has worked tirelessly; Stephen Handler for keeping track of our rapidly increasing membership and greeting all the new members. We all recognize the monumental job that was and continues to be. Thank you, John Falco, our treasurer, who has kept us in the black. Thank you, Jay Hixson, our Rally Master Extraordinaire', who has planned and provided the club with a year's worth of fun filled events.

A lot of work goes into the club's JagWire. Thank you Robert Delmar, Editor, and Will and Norma Hoehndorf, Assistant Editors. They've made our publications among the finest, bar none! Thanks to Ginger Corda, Webmaster, seeing after all things internet. Our web site and Facebook pages are tops for all the Club News and Events -- chock full of pictures and commentary. Thanks also to Tom Wright, our Slalom Master and AGM Representative. Phil Mannino, thanks for putting together 2015 Concours Chairperson for a wonderful event this year.

And a special thanks to Tom Curren, Our technical Advisor and Chief Judge, for his expertise on all things Jaguar. Reports on Tom's health have not been good, so everyone's thoughts and prayers will be appreciated.

Thanks to Danny and Dianna Bogdany, Dan Middleton, Ian Crawford, Bill Robertson, Delilah Davis, Pete Betterman, and Bill and Cecelia Wheeler. Space limits me, so thanks to all those who contributed to making 2015 another great year for the Jaguar Club of Florida. We've lost some close friends this year and we shall always remember and be thankful to them.

As my year as club President comes to an end, I just want to say how much I've considered it a privilege and joy to serve. I promise to continue to contribute to the club for, hopefully, many more years in whatever ways I can. With that said, it's coming time for membership renewal. We're already working on 2016 events. The Holiday party is set for January 9 and the Concours d'Elegance will again be in Celebration on March 19. That's just two of many special events coming up. Be sure to check out the "new and improved" Events Calendar and use the Membership Renewal Form which is included on the Holiday Party Flyer.

Sincerely,

Joseph Tarnowski

Editor's Corner

By Robert Delmar
Editor & (mis)Information Officer
Jaguar Club of Florida (JCOF)

We sincerely apologize for the 5-week-late publication of the last edition of JAGWire. Saying it was "Due To Technical Difficulties" would be a cop-out, so suffice it to say, "It won't happen again." I've discovered that publishing a 20 page newsletter is lots of work. My wife, Judy, loves that 'cause it keeps me off the streets.

Along that line of thought, let me state emphatically that "I have never been caught in Micanopy, FL." That might change on December 12 when Judy and I join other CatDrivers for lunch in Micanopy. We will be among what we hope will be many participants in JCOF's 'Florida Cracker Rally' which Jay Hixon has arranged. This is a JCNA sanctioned 'Monte Carlo Rally' in which you can earn points toward winning National Championship! Be sure to complete and return the Flyer in this issue of JAGWire and join other fun-loving CatDrivers for cook-em-yourself pancakes at De Leon Springs State Park at 8:45 AM sharp on December 12. Believe me, this will be more fun than a Family Reunion!

Have you ever driven your Jag, or any other car for that matter, in a sanctioned Slalom? You know, that's where you drive your meticulously maintained automobile, weaving in-and-out among precisely placed rubber pylons which have been carefully aligned to jump out in front of you. A well run Slalom is timed by sadists using lazars, BUT you stand a chance of winning a cheap-___ trophy! I was cautious about exposing our Concours winning XK to such risk, then I witnessed Ian Massey crash his terribly expensive, always spotless XK S over a pylon. NOT A SCRATCH! JCNA sanctioned Slaloms are designed to minimize any potential damages, though there are no guarantees. After riding as a passenger in Tom Curren's XK 120 racer, I'm now willing to take the risks, with hopes of winning a cheap-___ trophy at the JCCNF and JCOF Slalom at St. Augustine on Nov. 14. See you there?

Very sad news about Tom Curren. As of this writing, he was being cared for at home by Hospice. Cancer was diagnosed just a few months ago and his decline was rapid. Tom and Delilah recently attended JCOF's Last Chance Slalom, then later hosted our Summer Splash Party at their home in Longwood. Tom was our JCOF Technical Advisor and Chief Judge for many years. He trained innumerable Concours d'Elegance judges. Coventry Classics Restorations of pre-1974 Jaguars was his business and several of his coveted garage of collectibles might soon need to be sold. Recent photos of Tom Curren at events which he helped make memorable may be viewed at: www.tinyurl.com/JCOFTomCurren We will miss Tom and extend condolences and best wishes to Delilah and Tom's family.

Don't overlook the 2016 Membership Renewal form on the back cover of this issue of JAGWire. It's included in the RSVP to our JCOF Holiday Party on Jan 9. There was much discussion about increasing dues but our officers decided to leave them at just \$55/year + only \$ 10/year for spouses. Be sure to complete the form and mail your check before December 31, then plan to participate in and enjoy JCOF's fun-filled Rallies, Slaloms and Parties in 2016.

Lake Mirror Classic Auto Festival

October 17, 2015 • Lakeland, Florida

Article & Photos by Robert Delmar

This was the 16th Annual Lake Mirror Classic, staged by JCOF member, Ford Heacock and Heacock Classic Car Insurance. The Lake Mirror has grown to be counted among the finest classic and collector car festivals in America – often included in conversations including Amelia Island and Pebble Beach. Automotive luminaries such as Tom DuPont, publisher of the DuPont REGISTRY, and Bill Warner, founder of the Amelia Island Concours d’Elegance, again hosted Lake Mirror’s awards program this year.

Before sunrise on Saturday morning, I drove the two hour trip from Ponte Vedra Beach to Longwood where I joined Juan and Genie Sierra and Juan’s brother, Frank. The four of us wouldn’t quite fit in Juan’s recently restored 1960 XK 150 S, so we climbed into his comfortable minivan for the drive to Lakeland.

Genie agreed with me that Juan’s not very good at taking directions. Somehow, though, we wound up finding a great parking spot, the very closest to Gate #1. Never mind that the only other vehicles parked there were motorcycles. We were delighted it was still there when we were ready to leave.

After a short walk to the lake, the first exotic car we saw was being shown by one of JCOF’s newest members, John Sutton and his wife proudly displayed their absolutely gorgeous Suffolk replica of a 1936 SS 100. ‘SS’ cars were later named S.S. JAGUARS in 1936! Look forward to a feature article

about John’s auto collection and racing successes in a future edition of JAGWire.

Soon after visiting with the Suttons, we were officially welcomed to the festival by JCOF’s own Ginger Corda. Ginger might not have been the ‘official’ hostess for the event but she certainly had to have been one of the most flamboyant, gregarious, gracious and colorful. Later, we were delighted to find Ginger’s original 1935 SSII (Jaguar) Tourer prominently displayed. Didn’t the photo of Ginger’s ‘Jag’ make a wonderful cover photo for this edition of JAGWire?

I once knew a girl who weighed 278 pounds but she said her friends told her, “I’m not fat!” Well, with 671 cars registered to display and over 40,000 attendees, I can honestly say that the “Lake Mirror Festival was not crowded!” Separate collections of Mustangs, Corvettes, Hot Rods, Paninis, etc., etc., etc., were displayed on several streets around downtown Lakeland, close to Lake Mirror. This was the 16th year for his event and it was amazingly well organized. True classics, exotics and multi-million dollar collectibles are always found on the east side of the lake, together with classic boats, motorcycles and antique bicycles. We didn’t see any Whizzers but were delighted to spot several WOODYS!

What would any classic or collector car show be without Jaguars? No one knows ‘cause that doesn’t happen. The Lake Mirror was certainly no exception with JCOF members’ SSs and a number of XKEs. Surprisingly, we saw no original ‘50s “slab-siders.” However, James Lloyd from Howey-in-the-Hills proudly showed his hand-crafted, one-of-a kind, 1953 XK Special which he had personally

designed. He combined mechanical and body parts from XK 120s, XK 140s, XK 150s and XKEs to create one of the most beautiful and exciting racing Jaguars ever. At just 2,200 pounds, this 'lightweight' earned five 'Best Jaguar In Class' and numerous 'First Place' Concours d'Elegance awards; including Lake Mirror and Winter Park. (If you are interested in purchasing this unique showcar, call Jim at 352-324-3536).

An impeccably maintained Jaguar XKE with an unusual lift off hard top took First Place in the 1961 -1965 European Sports Car class, right in line with other classics and exotics – all among the finest and most beautiful cars in the world!

This was the first year in which bicycles were exhibited, though none were newer than 1907. Several antique motorcycles were also crowd pleasers.

It wouldn't be a festival without food and one of the highlights of the Lake Mirror Classic is the parade of waiters, led by a bagpiper, bringing gourmet lunches to the judges and dignitaries. For those who could tear themselves away from all of the wonderful cars, Lakeland's beautiful Hollis gardens provided a quiet resting place.

It goes without saying that a good time was had by all, including Pete Betterman who was spotted in the crowd. As usual, JAGWire's photographer took lots and lots of pictures. You're invited to view over 300 "phantastic photos" and feel free to download or copy them by clicking below. Hi JCOF Members,

We have had another exciting period of many new members joining the club. The reason for the influx of new members was the incredible discount on a new Jaguar that was offered to all JCNA members by Jaguar. This offer has now been replaced by similar savings for members that have been on the roster for 6 months or more. We don't know when this offer will be terminated. So, don't procrastinate if you are thinking of purchasing a new Jaguar.

Don't forget to send in your 2016 JCOF membership renewal. It must be received by Dec.31 2015. There is an application on the Holiday Party Flyer on the back cover of this edition of JAGWire. If you want to participate in any of the events in 2016 you must be a member in good standing otherwise you will not be covered by JCNA event insurance.

We would like to welcome the following new members to the Jaguar Club of Florida. Don't forget to join us at our meetings and functions so we can all get to know each other!

Jekyll Island Shrimp Festival

September 19, 2015

By Ian Massey

We had a small, select, group of JCOF members who joined our Fun Run to the Jekyll Island Shrimp & Grits Festival. The weather was good and we set-off on time to run up SR17 to the 520 to the Island. The 17 was practically empty, with the exception at one point when three police

SUVs, lights flashing caused us to slow to a crawl as they escorted what appeared to be hundreds of bikers to an unknown destination. Three additional SUVs brought up the rear of the biker group. It must have been 'Biker Week in Nowheresville, GA!'

There was a slight backup of traffic entering the Jekyll Island Toll but, sensibly, the organizers manned the toll rather than leaving everyone to figure how to use the automatic machines. One group, with the exception of Daryll & Gail Anderson, parked on one of the

All 'Shrimp & Gritters' arrived on time for the 9:30am start!

runways at the airport. Fortunately, the organizers had the foresight to stop planes landing on our parking lot. The shuttle service worked well with little trolleys shunting us to the coach (bus) station for onward travel to the festival. Gail and Daryll were not so lucky. Parking in the disabled transport to the festival area, surprisingly, appeared to be non-existent.

A long line waiting for transport to the festival, moved quickly with little delay

The Jekyll Island Club Hotel

A civilized lunch in the dining room!

Most of our entourage met for lunch in the historic and quite elegant Jekyll Island Club Hotel, then off to view the huge, high quality arts and crafts festival.

We had scheduled to meet up with new member, Elaina Massey at the Festival but,

unfortunately, this writer had turned off his phone ringer during a business meeting in Houston the previous day. Not being wedded to my phone, I forgot to turn it back on so we missed Elaina's plea for help finding our location - apologies Elaina.

We are not sure if the thought of Shrimp and Grits, afternoon College Football or the aggressive pursuit of speeders north of the Florida State line resulted in our small turnout for the otherwise crowded event, but those who attended really enjoyed everything. Not being a Southerner, in my non-expert opinion, the Shrimp & Grits at the Hotel are the tastiest anywhere.

Our Georgia Adventure!

North Georgia Jaguar Club Concours d'Elegance October 10th-11th, 2015 Article & Photos By Juan F Sierra

Our Georgia adventure began in the afternoon of Thursday October 8th at my house in Alaqua. There we put my recently restored 1960 Jaguar XK 150S in the special trailer which was graciously loaned to us by Tom Wright. Such a load couldn't be towed by our minivan, so Tom hooked it up to his Range Rover. What a Guy! The next morning, Tom, Liza, Genie and I were off on our 1,100 miles round trip adventure.

Tom and Liza had attended this Concours with his car in previous years and he was right: the members and the people of the Jaguar Club of North Georgia are truly great folks. We arrived in Gainesville in the evening of Friday the 9th. After parking the trailer and separating it from the Range Rover, we checked in at the local Holiday Inn where most guests were staying. The next morning Tom and Liza took Genie and me on a tourist exploration of several towns in the area. Most notably was the town of Dahlonega, which was famous for the first gold rush in the US in the late 1820s.

That evening, on Saturday, we attended a "Meet and Greet" party where we had the opportunity to meet all members of the Steering Council of the Club, the Chairman of the Concours, the assisting staff and many members. It was quite impressive to see the number of people who were involved with putting on this major event, especially the number of ladies involved.

The next day we drove the trailer with the car inside to the Chattahoochee Country Club in Gainesville, GA. Other cars began arriving at around 8:30AM and most were in place by around 9:30AM. I believe that one big contributing reason for the success in the arrangement of vehicles, in terms of who parks where, is the fact that they had a fairly large parking lot that could accommodate a pretty large number of cars. Perhaps even more important, they had a cut-off date for cars that were being judged (Champion, Driven, etc). Anyone who registered after the cut-off date was allowed to come but their vehicles were simply put in the 'Display Division' and not necessarily parked according to class.

Every car entered was given a number, assigned sequentially by classification. This made it possible for the judging committee to know ahead of time just how many cars in each class would be there; for example: XKEs; XK8s; XK 120; XK150s, etc. The cars being judged were assigned numbers which designated where the car would park in the parking lot. There was a special place for one-of-a-kind type cars, such as a really beautifully restored 1976 XJ 2 door coupe. There was also a very pretty Mark I. Altogether there were around 47 cars entered in the Concours d' Elegance. Delmar should have been there with his fine camera.

There were quite a number of prizes awarded for the different categories. Our car is an XK 150S OTS and was placed in category C4/150. It received top honors in its class and was awarded Best in Class. But that's not all. Our XK 150 was further honored with the Peoples Choice Award! This is a very interesting award. Everyone with a car entered was given a small blue card which you signed and wrote the NUMBER of your choice for People's Choice Award car (obviously you cannot vote for your own car). This caused all participants to walk around and view all of the competing vehicles, then decide which entrant they liked most. Our car received the highest number of votes and I am pleased to say that quite a number of people stopped, took pictures and expressed favorable opinion. Virtually everyone said they really liked the color, with quite a number asking me whether I picked the color. They seemed surprised when I said "NO. Jaguar chose the colors." I then elaborated further by saying I had the car restored with the exact colors, including the color of the Hood and Trim, with which the car left the factory.

After a beautiful lunch and awards ceremony the Concours concluded on Sunday afternoon. We put the car back in the trailer and began to make our return home. We stopped overnight in South Georgia and arrived home in the afternoon of Monday October 12th.

I have to say that Genie and I had a truly great time and Tom and Liza are marvelous tour guides. We hope other JCOF members will join us at this wonderful event next year.

2015 Sun Coast Jaguar Club (SCJC) Dan Ligas Memorial Jag Fest September 26th, 2015 • Concours d'Elegance • Wesley Chapel, FL

The annual West Coast of Florida area JCNA Club's Concours event was on a beautiful September Saturday afternoon, at the Wiregrass Mall in Wesley Chapel, Florida. That's about 18 miles north of Tampa.

Several of our JCOF club members attended, and all did VERY WELL, each placing FIRST PLACE in their respective categories! This speaks highly of the quality of cats with which we JCOF members compete. Check out these great trophies!

Past events hosted by SCJC have been first class. This year was no exception. The Concours weekend began Friday evening with a cheerful reception at the host hotel. Better put, The Saddlebrook Golf and Tennis Resort. The Saddlebrook Resort Community is gated and spreads over several miles. It features Golf Courses, Tennis Courts, Golf and Tennis Academies, Residences. Of course there's a Country Club, Bars, Restaurants and other exclusive amenities. The generous suites that were reserved for us overlook lush landscapes and fairways.

For Friday Evening's Reception attendees were shuttled, via a chauffeured resort golf cart, from their rooms to the Reception Area, which included a cash bar, lots of delicious hors d'oeuvres, and a spirited series of raffled door prizes.

I must say, this author and wife did very well at the raffle, winning four coveted door prizes, including a nice treasure chest which came in handy to tote the other three door prizes to our room (via a chauffeured resort golf cart, of course)! All is well that ends well, and once the dust settled, everyone had a blast!

As mentioned earlier, all the JCOF entrants did extremely well. JCOF member results:
