## About The Club

*Celebrating 39 years!*

The Jaguar Club of Florida (JCOF) was founded in 1977 by a small group of enthusiasts who had in common the love of ownership, operation and maintenance of the world's most beautiful automobiles - Jaguars. From that modest start with a handful of participants, JCOF has grown to over 200 active members and spouses. JCOF is proudly affiliated with Jaguar Clubs of North America, Inc. (JCNA), an organization comprised of more than sixty clubs throughout the United States, Mexico, and Canada.

Membership in JCOF automatically includes membership in JCNA, subscriptions to both the award-winning JCOF *JAGWire* newsletter and the JCNA *Jaguar Journal* which are delivered bi-monthly, discounts on parts and service at **Jaguar Orlando**, discount on insurance from **Hagerty Insurance**, deep discounts on **JCNA Shoppe** purchases and **Jaguar Heritage Certificates**, discounts from other commercial suppliers such as **SNG Barratt**, and access to the **JCNA tool loan program**.

JCOF members participate in a myriad of events including driving venues such as tours, rallies, and slaloms; monthly dinner meetings, Holiday and Summer Parties, annual Concours d'Elegance, and other 'pop-up' events such as car shows, Cars and Coffee get-togethers, and Breakfasts with other car clubs. We encourage family participation and many members bring children and friends to our events.

In addition to the newsletter, we communicate with members about local news and event information through electronic mail updates and our websites and webpages. After joining JCOF, you will receive your membership card from JCNA and a JCOF name tag after attending your first function. If you have any questions regarding membership, please contact the JCOF Membership Chairman:

## President's Message

As we begin our new year, I would first like to thank all of you for the trust you have placed in me by electing me as your president. I also want to extend my thanks to all our past presidents who have worked so selflessly to insure that our club prospers and continues to deliver a great organization; one which is probably the least expensive and most value-added club to which any person can belong.

I remind everyone that by being a member of the Jaguar Club of Florida you have an opportunity to be a part of a fraternal organization of car loving people who particularly love Jaguars. This organization exists because we all have something in common; our love for our Jaguars, be they new or old. This is a group where we share ideas, learn from one another and just plain enjoy the company of fellow Cat-Lovers.

I was asked to provide some *Churchillian* wisdom but I feel you don't want to hear about the Winds of Change. We get enough of that in everyday life. So, I will talk about the fun we are all looking forward to having in all of our upcoming events.

First on the list is our annual Concours d'Elegance, our premier and marquee event for the year. This is our opportunity to show our friends and fellow members our cars in their best light, even those cars that often do not leave the garage. We work to keep them fit and clean all year but, like all beautiful things, they need to be displayed so that others may also enjoy them. Mind you, I am not of the opinion that a car has to be perfect to be enjoyed. In fact, daily driven cars are probably enjoyed more than those that just sit in the garage.

Thus, I really want to encourage everyone who has—or would like to have-- a Jaguar to participate in our Concours and Awards Banquet on Saturday, March 19th, then Sunday's Tour. There are several categories in which to compete. If you do not want your car to be judged, you can always come put it in the Display category. By participating, you will help make our Concours even more successful.

Next, I want to mention the wonderful Tours that our adventurous past President, Jay Hixson, has taken us on in the past. Jay plans to take us on several more this year. These are really fun days that should be enjoyed by everyone. I once took my family, including 2 of my grandchildren, in a mini-van. Everyone had a great time, even being the only mini-van in a parade of Jaguars. We always travel to places we might never have found but always want to go back.

We also have some Rallies planned that, in addition to our Tours, will take you on less traveled roads and under very controlled conditions. Those of you who have joined in before, keep coming back because you know how much fun you will have. In the end, it is just you and the road. Oh, and don't forget to bring with you a very good navigator.

We also plan to have some Slaloms. These are more technical to set up but, thankfully, we have our Chief Judge Tom Wright who last year organized two really great events. I invite you to come out and have a good time. No matter what type of vehicle you drive, I guarantee you will go home happy.

Again, fellow members and friends, the main reason to belong to a fraternal organization is to enjoy the events that take place and the company of people with whom you have so much in common. In the case of JCOF, it's the love of cars and, specifically, the love of Jaguars. I also invite all of you to come and attend, if not all, at least some of our monthly meetings. These are great opportunities to spend time in great company and discuss many issues that make our club functional and responsive to its members.

P.S. Be sure to check out JCOF's Event Calendar on the internet at [www.JAGWireArchives.com](http://www.JAGWireArchives.com)

Be well,

*Juan F. Sierra*

By Robert Delmar

Jaguar Club of Florida (JCOF)

If it looks as if this edition of JAGWire has come out of “skinny school” and is less weighty than normal, that’s because it is. In part, JCOF membership renewals have been coming in so slowly that cash is flowing like glue. Hopefully, we’ll have many late renewals and our Concours d’Elegance and Silent Auction will be as financially successful as in previous years. We still need Sponsors and items for the Silent Auction, so be sure to sign up using the forms in this issue of JAGWire and under the Event Flyers & Forms tab at the top of [www.JAGWireArchives.com](http://www.JAGWireArchives.com).

Paraphrasing Rogers and Hammerstein: “Spring Is Busting Out All Over!” That’s especially true if you’re an active member of the Jaguar Club of Florida. Check out the JCOF Event Calendar in JAGWire and bookmark it on [www.JAGWireArchives.com](http://www.JAGWireArchives.com). You’ll find plenty of things to do. March 11th -13th at Amelia Island features Gooding & Company’s auction with one car expected to sell for over \$17 million. Cars & Coffee, FREE on Saturday, will have 300 cars pridefully displayed on the same golf course as Sunday’s world-class Amelia Island Concours d’Elegance.

Only Jaguars will compete for awards at JCOF’s Concours d’Elegance on Market Street in Celebration FL on Saturday, March, 18. Whether you come as a spectator or enter your car to compete in the first JCNA sanctioned Concours of the year, you are promised a great time. Also, sign up for Saturday evening’s Awards Banquet at the Melia Hotel. Then, on Sunday morning, join other CatDrivers on yet another exciting JCOF Road Trip.

Why not invite one, or even both, of your friends to join you at our JCOF events? Even better, encourage them to become members and enjoy our many member benefits. There’s no requirement to own a Jaguar, though that would certainly be the smart thing to do. We strive to make JAGWire newsletter alone worth the lousy \$55 - \$65 membership fee. ☺

Hi, fellow Jaguar Club of Florida members:

This is a busy time of year for me since we must submit our 2016 Roster and pay dues to JCNA for 2016. The roster will be submitted this week and everyone will be getting new membership cards from JCNA in the next few weeks.

The last Jaguar Journal had a notice that you would not receive any more copies because your membership has expired. If you've paid your dues, don't be concerned. You will be renewed as soon as JCNA completes the registration process.

Over the last few months we have had some new members. We should all give a warm welcome to:

- \* **Jefferson Wheeler**
- \* **David W Sheldon**
- \* **Robert & Sandra Lewis**
- \* **Andrew R. (Dick) Copley**
- \* **Delilah Davis**
- \* **Mark Carter**

The President called the meeting to order at 7:40 PM.

A discussion of the upcoming Concours showed everything to be on track. Jay Hixson reported that contracts had been signed and reminded everyone that rooms had to be booked by 4 March to get the club room rate. Tom Wright reported on the judging, his aim is to have the results available shortly after the judging is finished. To help this, John Falco will scrutinize the forms for errors and completeness before the scores are tallied. We still need items for the silent auction. Please coordinate with Celia Wheeler at [cawheeler2011@gmail.com](mailto:cawheeler2011@gmail.com) or Delilah Davis at [featherations@gmail.com](mailto:featherations@gmail.com) or use the form on page 13 of this issue of JAGWire if you have contributions.

Jay Hixson reported on the rally planned for the Sunday morning after the Concours. The rally will end at a Winter Haven restaurant and everyone is encouraged to participate.

# JCOF 2016 HOLIDAY PARTY

View more photos at : [www.tinyurl.com/JCOF2016HolidayParty](http://www.tinyurl.com/JCOF2016HolidayParty)

Was JCOF late for 2015 holiday celebrating or were we early for 2016? As most people know, Cat Drivers are often early, cutting edge, way ahead, etc., etc., etc. JCOF is certainly not an exception!

The evening of January 9 may have been dark and dreary but who cared? The exquisite home of architect and artist, Danny and Diana Bogdany, provided a warm venue while smiles brightened the dark night. Loud laughter drowned out even the thunder. As Bing Crosby once sang, "What an Elegant, Swell-egant Party it was." Yes, this was truly a High Society gala affair.

Though we had no whiskey bar, wine and beer flowed freely. Again this year, Puff 'n Stuff did an outstanding job with catering.

Our annual sharing of gifts, a/k/a "battle," had no physical injuries and it's likely that many of the items will be seen yet again at the silent auction preceding our Concours d'Elegance Award Banquet on March 19. We really need sponsors and donations of auction items, and you can sign up using the forms under the Event Flyers tab at the top of the page at [www.JAGWireArchives.com](http://www.JAGWireArchives.com).

New officers were inducted --some under duress, some under the influence of Bacchus, and some in absentia. All are capable and worthy of leading JCOF on many exciting events in 2016! 😊

Museum of Modern Art (MoMA) Features 1963 Jaguar XK-E Opening March 18, 2016 11 West 53rd Street (between 5th/6th Avenues), New York, NY

The Museum of Modern Art (MoMA) is recognized worldwide as “the arbiter of good design.” The judgment of MoMA, together with generations of sports car aficionados have confirmed: **“The Jaguar E-type is a work of art!”**

Unveiled at the Geneva Auto Show in 1961, the E-type --better known as the XK-E in the U.S.-- was designed by Malcolm Sayer, a Jaguar stylist since 1950. Sayer was trained in aerodynamics and aircraft design and had designed the C-type and D-type cars which dominated the prestigious Le Mans races in the 1950s. Jaguar founder and president Sir William Lyons, however, maintained the title of Chief Stylist to assure himself final authority on all designs.

1963 E-Type Road	
<b>DESIGNERS</b>	Sir William Lyons, British, 1901-1985 Malcolm Sayer, British, 1916-1970 William M. Heynes, British, 1903-1989
<b>MANUFACTURER</b>	Jaguar Ltd., Coventry, England
<b>BODY MATERIAL</b>	Steel
<b>YEARS PRODUCED</b>	1961-64
<b>NUMBER OF CARS PRODUCED</b>	7,827
<b>TOP SPEED</b>	149.1 mph, 0-60 mph in 7.1 seconds
<b>ENGINE</b>	TYPE: 3.8 liter, inline 6 cylinder BORE x STROKE: 87 mm x 106 mm

Introduced to the U.S. at the April 1961 New York Auto Show, the XK-E caused an immediate sensation: “The Most Exciting Sports Car News of 1961,” Car and Driver reported. “Jaguar Adds a Minor Miracle by Selling Such A Machine At An Incredible Price!” (The first XK-E roadsters cost approximately \$5,500 in 1961, about half the price of Ferrari, Mercedes or Aston Martin). Road and Track added: “The Car Comes Up to And Exceeds All Our Expectations!”

With a top speed of 149.1 mph, 0-60 in just 7.9 seconds, 0-100 in a quick 15.9 seconds and a price of just \$5,500 in 1961 --all in a comfortable, drop-dead-gorgeous, easy-to-drive grand touring racer-- who could ask for anything more? On its release, Enzo Ferrari called it **“The most beautiful car ever made.”**

In 1964, the Museum of Modern Art placed two scale models of the original E-type coupe in its permanent collection. In 1995, MoMA decided to add a third car to its prestigious design collection. At the top of their 10-12 car wish-list was the XK-E Series I. To find a car of museum quality, MoMA received help from Jaguar of North America and Jaguar Clubs of North America (JCNA). Jim Kuhlmann, founding member and oft president of Jaguar Club of Florida (JCOF), publicized the search. A number of submissions throughout North America were considered, but when MoMA representatives flew to Tallahassee, FL, their search ended quite quickly. They found JCOF member Jerry Wise willing to part with his exquisite 1963 opalescent dark blue roadster.

Jaguar Cars President of North American Operations, Michael H Dale, and Mark S Miller, Vice President of Public Affairs, arranged the purchase and donation to MoMA on behalf of Jaguar founder Sir William Lyons, E-Type designer Malcolm Sayer and chief engineer at the time, William M. Heynes.

It should go without saying that the value of the beautifully preserved 1963 roadster had increased many, many times from 1963 to 1995. Even so, the price back then is only a fraction of the estimated value of this XK-E today. As you may have guessed, it is not for sale at any price.

MoMA’s “Refining the Sports Car: Jaguar’s E-Type” exhibit opened on April 4 and continued through August 20, 1996. You can view an excellent informative video presentation by MoMA at: <https://www.youtube.com/watch?v=k2t3foKLjTU>

Now, 20 years after its first exhibit at MoMa, this 1963 XK-E roadster will again be featured in a special display entitled "From the Collection: The 1960s."

The Museum of Modern Art will reinstall its fourth floor collection galleries with works exclusively from the 1960s. This installation interweaves works from MoMA’s six curatorial departments in a presentation that highlights the decade’s broad ranging experimentation and the interdisciplinary nature of its artistic production. The galleries will proceed chronologically with work across disciplines installed year by year.

This exhibit should be a “must see” for those who [mis]spent youth in the ‘60s and grew up to enjoy Jaguar cars. As many of us know, “If you remember the ‘60s, you weren’t really there.” 🤔

## JAGUAR CLUB OF FLORIDA (JCOF) Concours d'Elegance JUDGE'S TRAINING EXTRAORDINAIRE

By: Juan F. Sierra

On Saturday February 13th, 2016, JCOF had a Judge's training day. The class and the practice session afterwards were conducted at the Alaqua Country Club in Longwood. The meeting facilities and the space for the practice session were excellent.

Our meeting started at 10:00AM and the class was presided over and conducted by Tom Wright, our new Chief Judge for the Jaguar Club of Florida. Thirteen (13) club members and prospective judges were in attendance.

The class involved 2 segments. The first was a discussion based on the JCNA Concours rules. This proved to be a very lively discussion followed by everyone participating in taking the JCNA test for certifying judges.

Copies of the test were distributed by Tom Wright and everyone became involved discussing the correct answer(s) to each question and why. Judge Tom was interested in getting all of us to be able research the correct answers when they were not clear or readily known. Since the test is an open book test, the primary objective was to learn where and how to find the answers.

Eventually, the discussions became lively. When the group sort of got stuck, Tom would step in to clarify the question before defining the answer. The test involved 50 questions. With 13 intense participants involved, after a couple of hours it was pointed out that we were only on question number 12. At that rate, it would take over eight hours to complete and get through all 50 questions. Time for a refreshing lunch.

It is my personal opinion that Tom succeeded in getting us to realize and learn most all the issues that come up in the process of judging a Concours. When in doubt, follow established procedures; starting with looking for answers in the JCNA Concours Rule Book. If necessary, proceed by taking the question to the lead judge in the team and, if necessary, to the Chief Judge himself. Tom took the opportunity at the end of this session to pass out a number of books that he had about different types of Jaguars. For myself I took one relating to XKE Series I and one relating to XKE Series 3. These books are Judging Guides, some of which had once been used by our former Chief Judge, Tom Curren.

While enjoying lunch, discussions ensued. By then it was almost 2:00 pm and time for the second segment of the class to begin. This was a hands-on, real-life judging -- similar to a real Concours d'Elegance. Several people volunteered their cars for the class to carefully inspect and take the opportunity to practice judging.

For this segment, there were 4 different types and classes of Jaguars represented. A benefit to the owners who volunteered their cars was to have so many eyes and so much more time than judges would normally take at a real Concours. After learning of potential problems there would be time to correct them before showing at the JCOF Concours in Celebration on March 19th.

Practicing judges will likely point out issues relating to vehicles of which the owners may not have been aware. In many ways this part of the day was most interesting. Without the pressure of time (15 minutes max per car) and in a very friendly exchange of information, an overall good time was had by all. On schedule, the training class was adjourned promptly at around 3:00 PM.

*Editor's Note:* First timers who completed this course may now serve as apprentices at a JCNA sanctioned Concours, then become certified by JCNA. Maintaining certification requires attending an additional training class within three years. JCNA judging guidelines are quite specific and standardized across North America. Thereby, entrants may be judged fairly and ranked objectively in competition for Local, Regional and North America JCNA awards.

**JCOF “Concours d’Elegance”  
Presented by Jaguar Club of Florida • March 19th, 2016**

The Jaguar Car Club of Florida presents its “29th annual Concours d’Elegance” on March 19th, 2016 where we will display an elegant collection of Jaguars in downtown Celebration FL.

There are two reasons why Jaguar Clubs throughout North America hold a sanctioned JCNA Concours d’Elegance. One reason is, for the owners to be proud, by encouraging them to Preserve, Maintain, and Present their Jaguars in as clean and authentic condition as possible. The second reason is, and foremost, to support the club’s favorite charity, in our case: **The Michael J. Fox Foundation for Parkinson’s Research.**

A percentage of all dollars the concours generates is donated to this charity. Parkinson's disease – A disorder of the brain that leads to shaking (tremors) and difficulty with walking, movement, eating and coordination and more. You can help be a part of this great event by becoming a sponsor, a great way to spread the word about your business.

There are various ways that you can be a part of this special event. You can be a general sponsor by donating: Banners, Brochures, Auction Merchandise, Goodie Bags, Dollars Towards Trophies or Provide Lunch the day of the show for the Judges.

There are also other Sponsorships levels in support of this event. I have listed these three (3) levels below, Platinum, Gold and Silver:

**Platinum Sponsor \$500.00**

1. A follow-up thank you letter acknowledging your gift for your tax purposes
