About The Club

The Jaguar Club of Florida (JCOF) was founded in 1977 by a small group of enthusiasts who had in common the love of ownership, operation and maintenance of the world's most beautiful automobiles - Jaguars. From that modest start with a handful of participants, JCOF has grown to over 200 active members and spouses. JCOF is proudly affiliated with Jaguar Clubs of North America, Inc. (JCNA), an organization comprised of more than sixty clubs throughout the United States, Mexico, and Canada.

Membership in JCOF automatically includes membership in JCNA, subscriptions to both the award-winning JCOF *JAGWire* newsletter and the JCNA *Jaguar Journal* which are delivered bi-monthly, discounts on parts and service at **Jaguar Orlando**, discount on insurance from **Hagerty Insurance**, deep discounts on **JCNA Shoppe** purchases and **Jaguar Heritage Certificates**, discounts from other commercial suppliers such as **SNG Barratt**, and access to the **JCNA tool loan program**.

JCOF members participate in a myriad of events including driving venues such as tours, rallies, and slaloms; monthly dinner meetings, Holiday and Summer Parties, annual Concours d'Elegance, and other 'pop-up' events such as car shows, Cars and Coffee get-togethers, and Breakfasts with other car clubs. We encourage family participation and many members bring children and friends to our events.

In addition to the newsletter, we communicate with members about local news and event information through electronic mail updates and our websites and webpages. After joining JCOF, you will receive your membership card from JCNA and a JCOF name tag after attending your first function. If you have any questions regarding membership, please contact the JCOF Membership Chairman:

President's Message

OK Jaguar Club of Florida, we can now look ahead to less work and more fun, right?! Our JCOF Concours d'Elegance, held April 7th thru the 9th, is now behind us. What a great event it was! Chaired by our gracious Concours Chairpersons, Juan and Genie Sierra, and supported by the many committee sub-chair persons, the Concours came together perfectly. Both new and established JCOF members pitched in tirelessly. Please read the articles about the Concours throughout this issue of JAGWire. I will steal some thunder by mentioning the Special Awards presented at our Concours Awards Banquet:

Concours d'Elegance **Best of Show Trophy: Tom Wright's 1959 XK150S FHC** (Top Cover Photo)

Concours d'Elegance **People's Choice Trophy: Juan Sierra's 1960 XK150 OTS** (Mid Cover Photo)

In addition to Concours Car awards, four awards were made for Club Service:

I have been reminded by our editor that many of the recent 2016 JCNA North America Award Winners are members of our Jaguar Club of Florida. The JCNA awards were officially presented in mid-March 2017, at the JCNA Annual General Meeting (AGM) up in Vancouver. There are too many of our JCOF Member Award Recipients to mention here, but all can be viewed on the JCNA website or on page 11 of your January-February edition of JAGWire magazine: <http://www.jagwirearchives.com/2017Jan-Feb.pdf> The awards span across most all North America categories, from Championship Division, to Slalom and Rally Competitions, including Drivers and Navigators.

JCOF Cats represented very well in 2016! Let's keep it up throughout this year by attending other Concours, Slaloms and Rallies. They are fun and prove to be quite rewarding! Don't forget, these events are NOT all about scoring points, they are also about intra-personal relationships, especially between drivers and navigators

Upcoming JCOF events include our JCNA sanctioned Summer Slalom in June; a JCNA sanctioned Road Rally in mid-late Summer; and the Summer Pool Party in August. Stay tuned to the email updates and attend our monthly meetings for more details.

Continued special thanks to all 2017 JCOF officers and committee chairs (you know who you are); and to all of our loyal sponsors for the enthusiasm, direction, and dedication committed to this fine group.

Frequently check the Event Calendar at www.JAGWireArchives.com and please come to our next meetings and events. Get caught up on what's up with the JCOF family and join in the spirited banter during our new segment "What I Broke or Repaired on my Jaguar this Month!"

Finally, thank you Robert Delmar, as editor and photographer of this fine rag, and also to the authors of the wonderful articles herein.

See you at our next great JCOF event!!! Best Regards,

Danny Bogdany

Editor's Corner

By Robert Delmar
Editor & [Mis]Information Officer
Jaguar Club of Florida (JCOF)

It's likely that this will be the biggest and even the "keepsake" edition of JAGWire magazine for 2017! Be sure to read the outstanding articles about: the Amelia Concours & Cars & Coffee; our President's Message about the JCOF Award recipients; Cecelia Wheeler's coverage of the Silent Auction; and, hopefully humorous, write-up about our Concours Road Rally.

As Winston Churchill is said to have said when visiting a Scotch Whiskey distillery, "So much work to do. So little time in which to do it." That pretty well describes the limitations we've had to confront with this edition of JAGWire. Limitations of budget and printing space necessitated the omission of Minutes for the Membership Meetings in March and April. Instead, you have or will receive Secretary Genie Sierra's important reports via e-mail in JCOF's monthly News Updates from Will Hoehndorf. They are sent as .PDF attachments. For those who might be somewhat paranoid about opening any attachments, please rest assured that .PDF and .JPG attachments are practically assured to be VIRUS FREE!

Though this edition of JAGWire is overflowing with lots of interesting columns and articles, that's not likely to happen in the June-July edition. In fact, the only events scheduled for that edition are the Membership Brunch in May, the Membership Lunch in June, and the Summer Slalom on June 17. Thereby, anyone or everyone who wishes to contribute a newsworthy or otherwise interesting article for publication is strongly encouraged to do so. A/K/A **Please, Please, Please!**

I've learned that being editor of a small magazine/newsletter can be a pretty thankless job. President Bogdany's recognition in this edition's President's Message is greatly appreciated. Editing such a fine publication as JAGWire, however, does have its privileges! Notice the Editor's Choice "Patina Award" on the cover of this edition of JAGWire. Well Deserved, in my not so humble opinion, by owner of the 1956 XK 140 FHC, Art Patstone! I strongly doubt that anyone would disagree!

Your previous printed edition of JAGWire included 4-5 business cards for you to use to insert in the drivers' side windows when you spot interesting Jaguars whose owners might not be members of JCOF or JCNA. Please don't hesitate to distribute them! When you run out --quickly we hope-- please e-mail Bob Lewis at robert.h.lewis@att.net or Steve Handler at stevesc3@gmail.com for more.

Please keep in mind that this and many prior editions of JAGWire are always available on the internet at: www.JAGWireArchives.com. Use those editions to help recruit new or renewal members to JCOF and JCNA, but only if they're people who like to have FUN!

It's Great to have you on board and we look forward to seeing you at future meetings and other functions.

At this point everyone should have received their JCNA Membership Cards with their member numbers. You'll need the numbers to get discounts at most major parts distributors and Jaguar of Orlando parts and service purchases -- in addition to discounts on the purchase of new Jaguars or Land Rovers*.

JCOF 31st Annual Concours d'Elegance

Thanks For Supporting JCOF 30th Annual Concours d'Elegance

BY BOB LEWIS AND ON BEHALF OF CONCOURS CHAIRPERSON JUAN SIERRA

The JCOF 2017 Concours d' Elegance was a stand-up success! The Florida sun and cool breezes were the backdrop for a spectacular array of classic 1950s thru 21st century Jaguars. The bright shiny colors and sparkling chrome were a car lover's eye candy. The Jags were restored, maintained, polished, displayed and judged under guidance of Jaguar Club of North America (JCNA) rules to ensure our common goal, Preserving the Marquee, was met. That goal was certainly achieved!

The Concours also successfully achieved our other goal of community service. Our JCOF family chose to support several worthy charitable organizations. The silent auction of donated products and services raised over \$1,700.00 for the Michael J. Fox Foundation, a major force in a fight against Parkinson's disease. The Foundation is dedicated to curing the disease and offering help and encouragement to those afflicted.

JCOF also made cash contributions of \$250.00 to two local charitable organizations:

- Haven of Lake and Sumter Counties: this local organization offers a safe place for persons/families to escape violent domestic situations.
- Florida Hospital Blood and Marrow Transplant Center-Adult Fund: this local organization offers the possibility of life to our neighbors when faced with terrible medical afflictions.

Finally, in alignment with JCNA objectives, JCOF made a cash contribution of \$250.00 to The Coventry Foundation USA. This Foundation shares the JCNA/JCOF goal in Preserving the Marquee.

The successes we achieved together were made possible and are shared among numerous supporters. The generous donations of time and auction items by everyone helped make it happen. The words 'Thank You' are both genuine and at the same time insufficient. Still, from JCOF and those benefitting from your support, Thank You!

JCOF has already begun planning to make even better our 2018 31st Annual JCOF Concours d' Elegance in mid-March, 2018. We will keep you posted!

Very Truly Yours,
Jaguar Club of Florida

Amelia Island Concours d'Elegance 2017

Article and Photos by Robert "Mac" Ballard

My unshakable XJ delivered me to Amelia Island on Thursday to get a head start on the 2017 Amelia Island Concours. I was rewarded with photos of an early E-Type with external bonnet locks for sale at the Bonhams auction and a test drive in Jaguar's performance oriented "F Pace S" model. (How fast will an F-Pace S go in a 25 mph zone? Only Ginger Corda and the "very nice officer" know for real).

Friday included a dash to Center Street in Fernandina Beach to see the public viewing of fine automotive machinery on display as part of the Reliable Carriers Eight Flags Road Tour. Nobody has more fun at an event than JCOF members and the Amelia Island Concours d'Elegance was no exception. To close out Friday, Ginger Corda reserved space at the Millhouse Steakhouse and what started as a small gathering grew to a group of 17. Some of the group elected to continue the

fun after dinner by roaring off to a dive bar that held the interest of some of our gallant group until 1:00 in the morning.

Because Sunday's forecast was for buckets of rain, the Concours was moved to Saturday. That made the 22nd running of the Amelia Island Concours a condensed affair, running concurrently with the Saturday Cars and Coffee event. On the Concours field one could find three XKSS including the famous Steve McQueen car now owned by the Petersen museum.

Perhaps more spectacular was a generous collection of 11 D-Types, including the 1956 Le Mans race winning number 4 car and Le Mans 1957 winning number 3 car. Filling the field between the two was the trophy from the 1957 Le Mans race.

On the Cars and Coffee field one could find a few more Jaguars including an XJ220 owned by JCOF member Ian Crawford.

On Sunday several JCNA members attended the “Legends of the Leaping Cat - Jaguar Racing Drivers Seminar.” Guest speaker and Sebring resident Bob Tullius said that his time in the Air Force inspired the professionalism that became a hallmark of Group 44. The meticulously prepared and visually appealing Jaguars, along with the spotless white uniforms, created team pride which in turn attracted some of the best mechanics and drivers.

Michael Quinn (grandson of Jaguar founder Sir William Lyons) said that it was the sedans and the US market that carried the brand. Quinn also noted that getting into a Jaguar always brings about a sense of occasion.

Jaguar’s legendary test driver and development engineer, Norman Dewis, (pictured with Ginger Corda) spoke of his work with Dunlap and Jaguar to develop disc brakes for automotive use as well as his dash to Geneva to deliver a second E-Type to the famous Motor Show following a last minute

decision by William Lyons to have a coupe present. Lyon's decision surprised Norman at the end of his work day and put him in an E Type with a suit case and lunch packed by his wife along with a mission to drive through the night. Norman was also instrumental in developing the XJ13 and just about everything else at Jaguar from 1952 to 1985. At 96 years of age, Norman is still going strong and a pleasure to talk to. Perhaps the secret to a long and joyous life is to spend time driving a variety of magnificent Jaguars, or possibly, the 1953 Fiat 8V Supersonic by Ghia that sold for \$1,375,000 at the RM/Sotheby Amelia Auction.

Concours Sunday Road Trip 2017

Article & Photos by Robert Delmar
View More Photos at: <https://goo.gl/photos/ktEm5GVULWHjg7T9>

After Friday night's get together for cocktails & BAR-B-Q, and after Saturday's outstanding Concours d' Elegance, and after Saturday evening's gala Awards Banquet and Silent Auction, who woulda 'thunk' that Sunday's Road Trip would highlight our wonderful Concours weekend?

WHAT??? You've never been to Yalaha?
WHAT??? You thought Florida was flat as a pancake and you've never had reason to use the paddle shifters while driving some of the twistiest, hilliest roads in your Jaguar? **WHAT???** You didn't know that JCOF Road Trips will take you to places you might never have found but always want to go back? Well TSK, TSK TSK!

Bright and early Sunday morning after the JCOF Concours d'Elegance, about 40 JCOF members and guests met at the Route 46 Entertainment

Complex and were greeted by Rally Master Extraordinaire, Jay Hixson. Jay provided us with coffee, donuts and road maps to help guide us on over a 90 mile Road Trip in case someone got lost. With 18 vehicles, that was bound to happen. In fact, Bob Lewis who was driving without a navigator, was spotted at least three times driving in the wrong direction.

Jay had driven the route three different times to make sure that, after a 2 ½ hour drive, we would arrive for lunch on schedule. With that experience, Jay put the pedal to the metal and led us up and down rolling hills, 'round hairpin curves and down narrow two-lane roads. Only one cop was spotted. Seeing 18 Jaguars driving at questionable speed, he seemed dismayed and looked the other way.

Our first pit stop was in Yalaha, FL, with one General Store also serving as a Post Office. Yalaha also boasts what is arguably described as "the finest" German Bakery in central Florida. Despite having had donuts earlier, most of us couldn't resist sampling some of their delightful breads and pastries. Several of our folks returned after lunch to purchase items to take home. On Sunday afternoon they have live musicians playing in the large beer/wine garden. Did I mention, "You'll always want to go back?"

After another hour's drive on the back roads in beautiful Lake County, we reached our luncheon destination at the Mission Inn Resort in Howey-in-the-Hills. Jay recognized that many of our people might not want to spend \$35 per for champagne brunch at the main club, so he reserved the more casual Knickers Bar & Grill. Awesome ambiance, gorgeous views, good service and cheap prices!
AT-A-BOY, JAY!

After a few beers, things began to get somewhat rowdy. Jay presented a special award to Bob Lewis, "World's WORST NAVIGATOR!" Robert Delmar found an item in the gift shop and, before showing it, asked all the men in the room to close their eyes. He then told the ladies he had found the 'perfect gift' for Fathers' Day: a T-shirt for their 'Trophy Husbands!' Karen made Jay put in his special teeth before modeling his. The gift shop almost sold out!

Saying "A Good Time Was Had by All" would be a gross understatement. It seems that every JCOF event just keeps getting "Gooder and Gooder!" Our next Road Rally will be in late summer. Though this one will be a hard act to follow, you can bet Jay will make it even "Gooder." Be sure to invite one, or even both of your friends!

2017 CONCOURS SILENT AUCTION

BY CECELIA WHEELER

View many more fun photos at:

<https://goo.gl/photos/qQWUqviG17pXWD929>

The 30th Annual JCOF Concours d'Elegance was held on April 8, 2017 at the Route 46 Entertainment District in Sanford and, once again, was a great success! Each year this event has a

silent auction to raise money for the Michael J. Fox Foundation for Parkinson's Disease Research. Parkinson's disease is a disorder of the brain that leads to shaking (tremors) and difficulty with walking, movement, eating, coordination and more. As many as one million Americans live with Parkinson's disease every day, which is more than the combined number of people diagnosed with multiple sclerosis, muscular dystrophy and Lou Gehrig's disease.

JCOF dedicates the silent auction each year in honor of my mother, Velma Jo Cavallero, past longtime loyal JCOF member, who had Parkinson's for over 28 years. Before Jo showed signs of Parkinson's she loved to dance, cook, talk, paint, attend our Concours, Road Rallies and more. After living with Parkinson's for over 28 years, she struggled to be able to talk and do for herself. She was wheelchair bound and struggled to have a simple

conversation. This devastating disease turned a lively energetic person into a person who needed help every second of every day.

This year's silent auction had many donations from businesses and club members. Attendees had the opportunity to bid on 170 items which included everything from car detailing products to custom jewelry to one-of-a-kind items. We made over \$1,700 dollars that will go directly to the Michael J. Fox Foundation in hopes of finding a cure for this disabling disease.

We could not have had such success without such generous donors and enthusiastic bidders. I want to thank Delilah Davis for accepting and storing the donations and delivering them to the banquet for set up. I also want to thank those who helped with set up: Iris Handler, Janice and Jerry Wise and especially Mike Bass with the Route 46 Entertainment District for pitching in and being a tremendous help! Thanks also to Bob Lewis for heading up the sponsorships and donations.

Thank You!

Amelia Island Cars & Coffee, 2017

BY ROBERT DELMAR

VIEW MORE PHANTASTIC PHOTOS' AT: [HTTPS://GOO.GL/PHOTOS/ZWVEI55WUKJGSWUE8](https://goo.gl/photos/ZWVEI55WUKJGSWUE8)

With the likelihood of violent storms and rain predicted for Sunday, the Amelia Island Concours d'Elegance was rescheduled to Saturday. That necessitated the annual Cars and Coffee being moved to other fairways on the famous golf course. Soooo --in addition to the priceless Concours cars-- hundreds of "us peasants" were allowed to display our treasured cars at Cars & Coffee. The biggest 'hitch' was being required to stay on display 'till 4:00 pm. Thankfully, we were later allowed to leave around 2:00.

With lots of competition, but with little argument, the most admired vehicle among hundreds displayed on two fairways was JCOF member Ian Crawford's Jaguar XJ 220 -- one of only 281 manufactured in the early 1990s. After over a year's "tidying up" In Coventry, England, Ian's two XJ 220s were held (for ransom?) by Customs at the Port of Savannah! Finally, a Ferrari judge and auto aficionado learned of Ian's plight and had the two 220s released at a cost of 'only' \$10,000.

My Press Pass was canceled due to so many journalists attending the Concours, I was not about to pay \$125 for admission. Instead, I stayed with my XK Coupe at Cars & Coffee and accompanied Ian Crawford on a tour of other "peasants'" cars. Ian and I ran into "Mac" Ballard and Ginger & Mike Baker at the Jaguar Drive & Ride. Ginger didn't tell us the cost of the ticket she received for speeding the Jaguar F-Pace S in a 25 mph zone, but she seemed appreciative for having met "a very nice officer."

Among many luminaries seen at Cars & Coffee was the gentleman who did the recent restoration of Juan & Genie Sierras' 1958 XK 150S OTS -- "Peoples Choice Award" In JCOF's 2017 Concours d'Elegance. Rumor has it that he put two kids through college, then retired to Florida after the 3+ year restoration of Sierras' absolutely gorgeous XK!

JCOF's 30th Annual Concours d'Elegance

April 8, 2017 at Route 46 Entertainment District, Sanford, FL

As early as 6:30 am, prideful Jaguar owners were out polishing every spot and spec on their competing vehicles. "Rags Down" was called at 11:00 a.m. under a cloudless sky that made every car sparkle.

The radiant sun cast long black shadows --a photographer's nightmare-- but that didn't discourage aspiring young photographer, Carson Paulsen, Chief Detailer for his Dad's 1958 Jaguar 150 S OTS. Always ready with camera in hand, JAGWire Editor Robert Delmar also managed lots of good shots and posted them on the internet to be enjoyed and downloaded to any computer. Since space in

this edition of JAGWire is limited, be sure to view those 'Phantastic Photos' at: <https://goo.gl/photos/Avxq5FkpQvfpAsCn9>

Concours Chairperson, Juan Sierra, and Chief Judge, Tom Wright, did amazing (absolutely amazing) work to make everything flow seamlessly at this year's new venue, Route 46 Entertainment District. However, they would be the first to state that they could not have done so well without the help of many JCOF members and Route 46 staff.

This issue of JAGWire is filled with reports about this fun-filled weekend. Be sure to read every article. If you were unable to attend, be sure to make plans for next year. March 17 or 24, 2018 are tentative dates and we'll probably return to Route 46.

Again, in relation to space limitations of this edition of JAGWire, we'll spare you more editorial and let let the JCNA Certified Judges' scores for the competing vehicles speak for themselves:
