## ABOUT OUR JAGUAR CLUB

The Jaguar Club of Florida (JCOF) was founded in 1977 by a small group of enthusiasts who had a common love of ownership, operation and maintenance of the world's most beautiful automobiles – Jaguars. From that modest start with a handful of participants, JCOF has grown to over 150 active members and affiliate spouses and friends. JCOF is proudly affiliated with Jaguar Clubs of North America, Inc. (JCNA), an organization comprised of more than sixty clubs throughout the United States, Mexico and Canada.

Membership in JCOF automatically includes: membership in JCNA; subscriptions to both the award-winning JAGWire newsletter and the JCNA Jaguar Journal which are delivered bi-monthly; discounts on parts and service at Jaguar Orlando; discounts on insurance at Hagerty Insurance; deep discounts on JCNA Shoppe purchases and Jaguar Heritage Certificates; discounts from other commercial suppliers such as SNG Barratt; and access to the JCNA Tool Loan Program.

JCOF members participate in a myriad of events including driving venues such as tours, rallies and slaloms; monthly brunch or dinner meetings; Holiday and Summer Splash parties; our annual Jaguar Only Concours d'Elegance and other 'pop-up' events such as car shows; Cars & Coffee get togethers, and breakfasts with other car clubs. We encourage family participation and many members bring their children, grandchildren and friends to our events.

In addition to JAGWire newsletter, we communicate with members about local news and event information through electronic mail updates, websites and webpages. Check out prior editions of [www.jagwirearchives.com](http://www.jagwirearchives.com) After joining JCOF, you will receive your membership card from JCNA and a JCOF name tag after you have attended your first JCOF function.

Welcome to the new E-edition of JAGWire. It had become financially unfeasible to bear the costs for printing and mailing, so *survival* took precedence. While there are many pluses resulting from this decision, there are also two major minuses. First, we will no longer enjoy the outstanding graphic design services of Osceola Press. They've been the proud printer of JAGWire for the past three years. See their ad on page 15 of this issue and don't hesitate to call on them for any and all your business and personal printing and graphic design needs.

Second, without the professional services previously provided by Melanie and Teresa at Osceola Press, designing and composing --in addition to writing and editing-- are now in the job description of yours truly. WOW! If I had only known the challenges involved before 'volunteering', JCOF might no longer have a newsletter. This, my first edition, might not be up to high standards set previously set 17 years ago by Ginger Corda, but we can look forward to future improvements. I'll greatly appreciate any suggestions anyone cares to make. Also, keep in mind that *JAGWire is greatly reliant on members who contribute articles and photographs which should be of interest to other CatDrivers!*

Since my experience with composition and graphic design was limited to typing a few words and inserting some photos into a blank WORD template, I would be remiss for not recognizing my trainer, mentor and censor ("NO 'four-letter' words"). This edition of JAGWire would not have been published if not for my 'computer guru', worthy wife, Judy Delmar. Thanks for not killing me during the past few weeks, Darlin'!

Our annual [Holiday Party](#) is Saturday, Jan 15, 7:00 – 11:00 PM at the Ace Café in downtown Orlando. Not only is this among JCOF's most *FUN* events of the year, it's also the time to elect officers. We still need two members to fill the offices of Vice President and Treasurer. Please [Contact President Will Hoehndorf](#) or call him at 351-255-9128 if you can serve. *PLEASE!*

## Archived Issues of the JAGWire

JCOF members find value in having the JAGWire newsletter available both online and in print. The immediate convenience of paperless, full-color viewing of the online version is complemented by having the printed option to read anytime, even years later.

## PRESIDENT'S MESSAGE

How about this new E-edition JAGWire format?!!!! I must hand it to our editor, Robert Delmar, for stepping up his game and retooling a bit to save publication costs. Our publication advertising subsidies have recently been discovered to be non-existent, the catalyst to this new approach. At the time of writing this message, we really do not know how this edition will reach the Jaguar Club of Florida membership. If you are reading this in print, or if you received a.pdf version exclusively, it is due to the tenacity of our editor, who accept the challenge to confront conditions. Thanks again "Delmar!"

Another Back-to-the-Future prediction: In January, I will become past-president. Will Hoehndorf will our new President! As we all welcome Will and other Officers, Chairpersons and Masters at our early 2018 January Holiday Party-Election Meeting, we also say farewell to one of our truly beloved Officers, the late John Falco, who served the club most recently as Treasurer, but always as a friend to all JCOF members. I personally will miss him most at our Rallies. Many times, he drove a 'ginormous Jaguar to the rallies and -- when the doors opened at checkpoints or rest points it was like watching a magic act. Two or three generations of Falcos popped out of the car! What a great family man he was, and what a big part of our JCOF family he was too. He will be missed by many.

As I mentioned in my previous message in the Sep-Oct issue of JAGWire, it has been a privilege to serve our membership, and I hope I have been able to guide us through another successful year. Together with our executive Committee of officers, chairpeople, appointees, (you all know who you are), and lots of friendly club members, I thank you everyone for making this job lots of FUN! 😊

I encourage you to bookmark our [online Events Calendar](#). We have many FUN events ahead this year and hope to See you every one.

***Eat, Love, Drive!***

# Farewell Falco

With many fond memories by Robert Delmar

**I'm not sure if I'll ever forgive John Falco or not.** Now that he's gone, I'll give it a great deal of thought.

I first met John on June 21, 2014, soon after Judy and I joined JCOF and while attending our second Road Trip, *the Rheinlander Rally*. WOW! What a Fine FunDay! After 3 hours of adventurous driving, we wound up at a really great German restaurant in Sanford. After a few beers, I became quite outspoken about what a wonderful time we were having.

**"Why don't you write an article for JAGWire?" John asked me. "Why not?" I naively replied. Oooops!**

Just to show that no good deed shall go unpunished, it was only a few weeks later when, after 14 years as JAGWire editor, Ginger Corda announced her retirement. Soon after and under the handicap of sobriety, then JCOF president Jay Hixson, talked me into taking the job.

For those who never knew John, as well as those who remember him well, I found the following photographs which are hoped to recall some fond memories:

John Falco, you really got me into lots & lots of trouble! *YES! I now forgive you!* After looking back over the past few years and 18 editions of JAGWire, I can now only say a great big *THANK YOU!*

Farewell Falco. All of us with JCOF will miss you! We wish you well in those Road Trips and Rallies up in the sky.

Rest in peace, friend.

# 2017 16<sup>th</sup> Annual Hilton Head Island

## Concours d'Elegance

Article and Photos by Robert Delmar

Judy and I were in Washington, D.C. the week before Hilton Head Island's annual Concours d'Elegance. Judy attended genealogical seminars while I stayed in the hotel working on the September-October edition of JAGWire. On the way home, we had decided to stop at Hilton Head, SC and enjoy the Concours with which I had become an enthusiast last year. Like last year, the island had been ravaged by a severe hurricane just weeks before. Also like last year, the neighborhood "lowlanders" had rallied together to clean up, or sometimes hide, the debris so that the show could go on.

Unfortunately, we got a late start into the "parking lot" traffic around D.C. and arrived at the Concours in mid-afternoon. Judging and awards had already started and, apparently, many participants had already left the beautiful Port Royal Golf Club fairways display areas. I was disappointed to estimate what appeared to be fewer than half the exotic autos on display as in 2016. Fortunately, I quickly found an excellent spot to photograph award winners as they drove to the judges' stand to accept their awards.

If nothing else (and there was certainly a great deal more), everyone associated with this event -- including judges, participants, vendors and guests--exemplified southern hospitality and graciousness at its finest!

JCOF members, Juan & Genie Sierra and Jerry & Janice Wise, who competed in the Hilton Head Concours last year were unable to compete this year. Both couples were recuperating (probably financially) from their trips to Monterey, CA where they attended the Pebble Beach Concours the previous August.

The top honor at Sunday's Concours d'Elegance, 'Best of Show,' was awarded to a 1934 Cadillac Victoria Convertible Coupe owned by Steven Plunkett of London, ON Canada.

Attendees at the event chose a 1953 Chevrolet 3100 Good Humor Ice Cream Truck as their 'People's Choice' winner. The car is owned by Barry and Deborah Fodor of Ashland City, TN.

Another top honor presented at the close of the annual event was the Paul Doerring Founders Award, established to honor Paul Doerring, one of the key contributing founders of the event. The award went to a 1967 Ferrari 275 GTS/4 NART Spyder from the Rare Wheels Collection in Windermere, FL.

This trio of winners exemplified the diversity and quality of vehicles shown at Hilton Head Island. I had to applaud the Peoples' Choice selection of the '53 Good Humor Ice Cream Truck. Unfortunately, it had no ice cream for sale on this rather warm lowcountry day.

Numerous automotive icons were in attendance including Ben Ebel (Chairman, Michelin's Global Challenge Design Program), Michael Furman (automotive photographer), Ralph Gilles (Head of Design, Fiat Chrysler Automobiles N.V.), racer Boris Said, Jay Ward (Creative Director of the "Cars" Franchise, Pixar Animation Studios) and Automotive Hall-of-Famer Ed Welburn (GM's Former Global Design Chief). Renowned contributors to the automotive collector hobby Ken Gross and Robert S. Jepson, Jr. of Savannah, GA were recognized as the 2017 Pinnacle and Honored Collectors.

# JCNA Sanctioned Monte Carlo Rally

Article and Photos by Robert Delmar

JCOF CatDrivers started gathering at 8:00 AM at central Florida's "castle of culinary delights," the Yalaha Bakery in beautiful downtown Yalaha, FL. Where the H--- is Yalaha? Welllll, if you go northwest of Orlando, drive through Howie in the Hills and continue east on Hwy 48 for ten miles, you've gone too far. It's fairly easy to miss the unique German Bakery, but well worth turning around to indulge in some of the most delightful

Food, however, is not the reason some of us drove more than three hours to arrive at such an early hour. The promise of *FUN* and the opportunity to earn awards from JCNA as champion Monte Carlo Rally Driver and Navigator was as appealing as the beautiful morning sunrise. Also, this has become one of the "FUNNEST" events our club has every year.

Rally Master Extraordinaire, Jay Hixson, provided colored road maps and encouraged competitors to choose their own routes to three designated checkpoints where they would be clocked-in. The challenge is to not only *find* the checkpoints but to drive across each within less than a second of specified times. Including two thirty-minute rest stops, the full rally takes almost three hours. Last year's winners, Robert and Judy Delmar, came within only one second of a perfect score and were later named JCNA North American Champions.

Lots of the laughs come from watching competitors driving in opposite, obviously wrong, directions from the route your navigator has chosen. OR, could your navigator be wrong? We're not sure, but it's possible that some of our people might still be hopelessly lost. After all, Rally Master Jay always chooses the hilliest, curviest, twistiest, and hiddenest routes to get from Point A to 'Where in the H--- are we?'

Instead of going over the river and through the woods, Jay took us through the woods to the river – the Withlacoochee River, that is. En route, we drove through many small towns in which the population exceeded 100 only if you counted folks in the cemeteries. The number of cemeteries was probably exceeded only by the number of churches – mostly Baptist. Taking advantage of such an abundant asset, Jay set the final checkpoint "near the Baptist church in Floral City." Finding which of the three Baptist churches in rural Floral City was the challenge!

It was around one o'clock when we reached our destination for lunch and much welcomed adult beverages. *Sleepy Hollow* turned out to be a Biker Bar on the Withlacoochee river with Old Florida scenery at its best. Live music and lots and lots of 'colorful' customers provided ambiance which everyone enjoyed. However, JCOFer Simon White posted this comment on their website to pretty much complete this story: "Great location and great music.... Food and Service is very questionable. 1 hour, 53 minutes

## Monte Carlo Rally Rankings (Driver/Navigator)

**Class M2 (Experienced):** 1st place, Tom Wright/Ted Wright; 2nd place, Juan Sierra/Genie Sierra; 3rd place, Bill Robertson/Carol Robertson; 4th place, Robert Delmar/Jill Casiple; 5th place, Danny Bogdany/Dianna Bogdany; 6th place Will Hoehndorf/Norma Hoehndorf. (Once again, and as expected, team Delmars beat Bogdanys and Hoehndorfs). 😊

**Class M2N (Novice):** 1st place, Bob Lewis/Sandi Lewis; 2nd place, Simon White/Barbara White; 3rd place, Jim McGrath/Anita McGrath; 4th place, Doug Crawford/Ricardo Rodriguez (who seemed to always be getting lost). Thanks guys for competing. You've got to do better next year! 😊

Participating but not eligible for placing were Ian Crawford, Steve Miller and Jay and Karen Hixson. The winners in each class were within 2 seconds of the target times and the second-place winners were behind by only a few seconds more.
