ABOUT OUR JAGUAR CLUB

The Funnest Car Club in Florida

The Jaguar Club of Florida (JCOF) was founded in 1977 by a small group of enthusiasts who had a common love of ownership, operation and maintenance of the world's most beautiful automobiles – Jaguars. From that modest start with a handful of participants, JCOF has grown to almost 200 active members, affiliate spouses and friends. JCOF is proudly affiliated with Jaguar Clubs of North America, Inc. (JCNA), an organization comprised of more than sixty clubs throughout the United States, Mexico and Canada.

Membership in JCOF automatically includes: membership in JCNA; subscriptions to both the award-winning *JAGWire* newsletter and the JCNA *Jaguar Journal* which are delivered bi-monthly; discounts on insurance at Hagerty Insurance; deep discounts on JCNA Shoppe purchases and Jaguar Heritage Certificates; discounts from other commercial suppliers, and access to the JCNA Tool Loan Program.

JCOF members participate in a myriad of events including driving venues such as tours, rallies and slaloms; monthly brunch or dinner meetings; Holiday and Summer Splash parties; our annual Jaguar Only Concours d'Elegance, and other 'pop-up' events such as car shows; Cars & Coffee get-togethers, and breakfasts with other car clubs. We encourage family participation and many members bring children, grandchildren and friends to our events.

In addition to *JAGWire* newsletter, we communicate with members about local news and event information through electronic mail updates, websites and webpages. Check out prior editions of our award-winning newsletters at www.JaguarClubFL.com. After joining JCOF, you will receive your membership card from JCNA, and after you've attended your first JCOF event, you will receive a JCOF name tag.

If you have any questions regarding membership, please contact the JCOF Membership Chairperson:

Since the end of February our membership has grown tremendously. We have grown from approximately 60 member units to 95. A member unit counts two people living together or married as 1. The increase in membership is largely due to our Concours d'Elegance and late renewals from previous years. Another interesting bit of trivia: We now have 16 members residing in The Villages.

President's Message

President Delilah Davis

Hello fellow Cat Drivers,

It has been an exciting two months with lots going on with JCOF club and affiliate clubs. I would like to thank our sister clubs, JCCNA, SWJC and SUNCOAST Club for their participation in our March Concours at the Villages. Kudos to Will Hoehndorf and Steve Handler and all those on the team that made it a successful Concours, followed by a very nice Awards Banquet.

We raised \$410.00 for the Kidney Foundation in honor of our lost friend, Joseph Tarnowski. The following day, we had 40 members enthusiastically drive a really fun trip, planned by our Esteemed Rally Master, Jay Hixon. The trip was from the Villages through County Roads all the way to Sanford where we landed at the Willow Tree Café for lunch.

The club generously donated free lunch to all who attended, which was a wonderful surprise. Our Guest, Ramsey Potts, from Sotheby's joined us on the tour and for lunch and bought everyone a giant soft pretzel to get things started.

The most fun was when Robert Delmar and his twin brother, Charlie, were awarded the giant boot of beer to share as a prize for the worst navigators and the last to appear at the lunch.

Kudos also to Judy Delmar who worked tirelessly on our new website during the Concours. Kudos to Tom Wright and all the judges for their special attention to detail while judging each and every car and tallying those scores. It was a hot day in the parking lot and their dedication did not go unnoticed. I am looking forward to all of our future events which are posted at: www.JaguarClubFL.com.

Cheers and LETS DRIVE !!!

Editors Corner

by Robert Delmar

863-528-9061 Editor@JaguarClubFL.com

By now, you've probably heard that JCNA has named your JAGWire e-Magazine "The Best Jaguar Club Newsletter in all North America!"

APPLAUSE to everyone who contributed columns, articles and photographs to help achieve this great honor.

In fact, so many JCOF 'volunteers' are probably what separated "The Best from The Rest!"

JAGWire is one of very few JCNA club newsletters I've read to include work from a number of member 'volunteers,' not just the editor and one or two others.

Sometimes editing other writers' works is much more difficult than doing the work myself! I like challenges, so send me your stuff!

"It's likely this will be the biggest and even the 'keepsake' edition of JAGWire in 2019." I used those words in the [March-April 2017 edition of JAGWire](#). That was one of the last editions to be printed and mailed to members. It was just 20 pages, with 16 in black & white. We couldn't afford color printing.

We've made lots of progress in the past two years. This edition is 28 pages in full color and, as an "e-Magazine," it contains hyperlinks to literally hundreds of additional articles, photos and information.

Unfortunately, it's often too easy to set aside, forget, or even delete messages announcing the latest editions of JAGWire. For that and many other reasons, JCOF now has a wonderful new website: www.JaguarClubFL.com

JCNA 2018 NORTH AMERICA AWARDS

Typically, JCNA's Annual General Meeting (AGM) is held a week or two following our JCOF Concours d'Elegance and Awards Banquet. As a result, the esteemed and coveted JCNA awards often go "unceremoniously recognized."

Your humble *JAGWire* editor feels they deserve much more recognition than just plaques being mailed. After all, *these are Champions –not just in Florida, not just in the US, but in all North America!*

TOP AWARD:

The Karen C Miller Award is presented annually to the JCNA Newsletter Editor with THE BEST JCNA CLUB NEWSLETTER! Outgoing JCNA Southeast Region Director, Tom Wright, accepted the elegant plaque at the Annual General Meeting (AGM) on behalf of **Robert Delmar and JAGWire e-Magazine**. JCOF is one of only two clubs to earn this award two times. Ginger Corda, JAGWire Editor for 14 years, was recipient in 2006.

Acknowledging what is regarded as the second highest honor awarded by JCNA, Robert Delmar attributed full credit to the many 'volunteers' who write columns and articles and provide photographs; "...thereby, making *JAGWire* The Best Jaguar Club Newsletter –not just in Florida, not just in the U.S., but in all North America!"

JCNA 2018 Slalom Winners –JCOF Members

Since our 2019 JCOF Summer Slalom will be held in Tavares June 15, we should first recognize four of our North American 'Best in Class' Slalom winners in 2018:

Justin Falco, JCOF member driving a non-Jaguar powered 2017 VW Golf, ranked 1st overall in JCOF and **3rd in JCNA 'Class Z'** driving the Slalom in just 40.664 seconds.

Consistent slalom winner, **Ian Crawford** in his famous 'Green Rocket' –a 1971 highly modified E-Type– won **2nd in JCNA 'Class H'** with a time of just 42.898 seconds.

Tom Wright III drove his 2017 Jaguar XE Sedan to win **1st place in 'Class M'** with a time of 44.649 seconds.

Slalom Master, **Tom Wright**, drove his recently restored 1959 Jaguar XK 150S to win **2nd place in 'Class B'** with a time of 51.52 seconds.

The Second Time Around

JCOF Concours d'Elegance at The Villages

By Will Hochendorf, Concours Chairman

View Fun Photos at www.JaguarClubFL.com

In the late 1950's, Frank Sinatra released a beautiful love ballad the first line of which started with "Love is Lovelier, the second time around, just as wonderful with both feet on the ground." The 2019 JCOF Concours d'Elegance at the Waterfront Inn in the Villages may not warrant a love ballad but I did enjoy being Chair of this wonderful and rewarding event a lot more 'the second time around.'

The idea of doing a second Concours came to me while walking through the streets of Jerusalem in late June 2018. That night I sent Steve Handler a text message asking him to check with the Waterfront Inn to see if March 15 -17 was still available and if so, to sign a preliminary contract with the hotel. After my return, I went to the Inn to sign a more inclusive contract which I hoped would be the same as the prior year, but ...surprise, surprise... the hotel presented me with a lengthy commercial contract which had all kinds of provisions that our Club could not live with.

The Club's legal advisor eventually told me not to worry too much about all the small print but to focus primarily on the costs. Even with that advice it still took us eight weeks to sign a contract. Although we now had a good contract with the hotel, we still had to negotiate with the restaurant for an affordable banquet menu.

The Chef's initial proposal exceeded our budget by nearly 45%. After four separate sessions we finally agreed on a menu which was well received by everyone. I found out later that the hotel got a new management company which saw 'Jaguar Club' and figured we would not notice the large price increase.

The final hurdle we had to overcome was to secure 45 contiguous parking spaces in front of the hotel. The parking lot is owned by the The Villages and the hotel has little control over the spaces. It's always a problem to cordon 45 spaces on a busy weekend when parking spaces are at a premium. But thanks to the hotel event manager and her two-man crew, we were able to block 45 spaces beginning at noon on Friday. Luckily, by 7:30 the next morning we had managed to evict all but four cars from our reserved spaces. Kudos go to Angela Patterson, the event manager at the hotel and her crew for keeping our spaces clear.

Our traditional Meet-and-Greet on Friday evening had an auspicious beginning. When I made arrangements with the hotel for a reserved space, we expected about 30 people. However, by 6 o'clock on Friday evening, more than 45 CatDrivers had arrived. It was fantastic to see so many petrol heads get reacquainted with each other.

It was especially fun to meet 26 entrants from other Jaguar Clubs who were in attendance. We had one couple who drove 1301 miles from Appleton, Wisconsin to join us for our Concours. Willie and Jan Wittkopf received a special 'Long Distance Driving Award' for their enthusiasm and energy for their Herculean efforts.

The Concours on Saturday came off like a well-rehearsed play. Jay Hixson, Jim McGrath and four or five additional helpers parked 39 cars in the right order in the right spaces in minimum time. With the exception of the previously mentioned three cars on which we had to wait until their owners checked out of the hotel, everything went off without a hitch.

Jay even managed to accommodate some late comers and same day registrants, while the Chief Judge was able to rework his judging teams to include the newcomers.

Tom Wight's Judges Training Seminars in January ensured that our Judges were well prepared. It was a pleasure watching the teams at work. They were thorough and professional in every respect, consistent in their evaluations and took their assignments seriously. A special note of thanks is due all of the Judges for their hard work and professionalism!

Our Awards Banquet is always a fitting end to the Concours, and this time was no exception. The Chef had prepared some exceptional dishes which ensured that everyone was in a great mood. It's always fun to watch the look of anticipation on all of the entrants faces when their Division is called and first, second and third place winners are announced. All in all, we awarded 30 trophies.

A word about the trophy selection.... I spent several hours looking through catalogs for appropriate trophies. I wanted something different from the usual awards but could not find anything I liked and so I finally opted to design my own trophies. I don't usually pat myself on the back, but I really believe this year's trophies were exceptional!

I would be seriously remiss if I did not mention Sandy Lewis, Norma Hoehndorf, Iris Handler and Anita McGrath for their hard work at the Registration desk. There is constant turmoil at the desk from 8 to 10 o'clock on Saturday morning. Everyone wants their registration package at the same time; late arrival and same-day entrants are looking for someone to approve their entry forms and get parked while others want individual questions answered.

At the same time our ladies signed up several new members while managing to keep their cool and getting everyone satisfactory answers. Without their help we wouldn't have a Concours and so thanks for your hard work!

Finally, I can't forget to give a special thanks to Karen Hixson, Iris Handler and Danny Bogdany who spent much of the day in our operation room adding numbers on the Judges scoring sheets and scrutinizing the scoring sheet for mistakes. You guys are the best!

So, what makes the second Concours that I chaired better than the previous one? For starters, I knew what I had to do to organize an exceptional event. All the negotiations with the hotel and restaurant were tedious but having experience from the previous year gave me a sense of how much both were willing to give.

I handled the pre-registration myself, so I always had current information of how many cars were coming, who was registered at the hotel, who was staying for the banquet, who was doing the Sunday drive and who wanted a Concours shirt. All this information made it easier to plan for the event.

As I mentioned earlier, I enjoyed designing our trophies for this year. The diamond shape was unique and represented, in a small way, the value we place on every winner. I was really happy when all the advance planning made this a great Concours and fun event. Sinatra was right, the second time around was indeed lovelier.

Will Hoehndorf

JCOF 32nd Concours d'Elegance Awards Recipients

Best In Show

Just one week after winning *Best in Class* at the Amelia Island Concours, this 1949 XK120 S Alloy (one of only 240 produced) earned Jaguar Club of Florida's *Best in Show*. This numbers matching car was purchased from two-time Argentine National Champion Bitito Mires' son-in-law and imported to the U.S. in 2007 after racing and spending 58 years in Argentina.

Owners Mike and Deb Korneli are from Wisconsin where Mike is president of JCNA affiliate, Wisconsin Jaguars Ltd., and Deb is editor of *The Special Breed* newsletter.

Entrants' Choice

Juan and Genie Sierra have almost lost track of the number of awards earned with their recently restored Cotswold Blue 1958 XK150 S OTS. As a young couple, they would take it on drives with their small children. It sat unused in a garage for over 40 years, then underwent a complete 'ground up,' 34-month restoration. Read the full story on Pages 11-15 of the July-August 2015 edition of *JAGWire*.

After waiting months for a replacement part, Ian Crawford was finally able to show his silver XJ220 supercar. Only 271 were built from 1992-1994. Ian owns two. With a 3.5L Twin Turbo V6, 546 HP, 475 ft lbs. of Torque, and weighing only 3,025 lbs., the XJ220 was Nürburgring Record Holder for 8 years, First in Class at 1993 LeMans. 0-60 in 3.4 seconds. 0-100 in 7.3 seconds.

Up to 27 MPG must have been an important consideration for anyone purchasing a car with an original price tag approaching \$750,000.

JCOF's 32nd Annual Concours d'Elegance attracted 26 members from other JCNA affiliate clubs as well as some of the most exciting and historically significant Jaguar automobiles ever produced. Unfortunately, our 'phantastic photographer' was busy working as a judge and missed many photo-ops. John McCarthy with the Sun Coast Club came to the rescue with the photos posted below. See [Fun Photos at www.JaguarClubFL.com](http://www.JaguarClubFL.com).

If you didn't have fun at our 32nd Concours, it's only because you weren't there!

2019 Awards Banquet

Will Hoehndorf & Delilah Davis

JCOF President, Delilah Davis congratulated Concours chairman, Will Hoehndorf, who outdid himself arranging this year's Awards Banquet 'The Second Time Around.' Cocktail hour was a welcome celebration after a full day's activities, and the evening buffet was a culinary cornucopia. (How do you like that description, Will)?

Our great Waterfront Inn Chef

Will & Tom Wright

Unfortunately, several award recipients returned home early and were not present to receive their well-deserved awards. Those who stayed enjoyed an evening of blessedly brief speeches and lots & lots of fun. Be sure to review the list of winners and their competitive concours cars' scores on the previous page.

Chief Judge, Tom Wright, gave special thanks to the many judges –several who joined us from other JCNA affiliate clubs and worked most of the day to assure correct scoring and, hopefully, help earn as many JCNA North American Champion Awards as in 2018.

The main thing that was missing from this year's festivities was the pomp and circumstance usually shared with our jovial members by 'King' Dan Middleton. Dan was JCOF President in 1999, and every year since, has personally presented the JCOF President's *Meritorious Service Award*. This year's recipients were Robert and Judy Delmar. Judy is the new Webmaster for www.JaguarClubFl.com and Robert was later announced as the recipient of JCNA's coveted Karen C. Miller Award as editor of "The Best Jaguar Club Newsletter in North America."

Dan Middleton

Judy Robert Delmar with their HUGE Trophy.

Dan Middleton and Robert Delmar have an ongoing competition as to who can wear the brightest and most outrageous sport coat. "Dan got tired of losing, which explains why he didn't show up this year," Robert jokingly explained.

26 JCNA affiliate club members participated in this year's JCOF Concours. Among them, Will welcomed (l to r): John McCarthy, Sun Coast Jaguar Club President; Phil Mannino, Southwest Florida Jaguar Club President; our own Delilah Davis, Jaguar Club of Florida President; Dyaarl Anderson, Jaguar Car Club of North Florida President; and JCOF Chief Judge, Tom Wright, also outgoing JCNA Director for the Southeast Region.

JCOF Concours Sunday Road Trip

By Larry Heil, with more photos at PhotosByDelmar.Net

Where Gemuetlichkeit Happens

On an overcast Sunday morning, March 17, 19 cars participated in the final event of the 32nd annual JCOF Concours d' Elegance weekend. This was a fun, "non-competitive" driving tour of approximately 2 ½ hours along various scenic Florida back roads.

The routing started at the Waterfront Inn in The Villages with Jay Hixson, Rally Master Extraordinaire, and his wife Karen leading the way in their sleek, blue F-Type S convertible.

Other modern XKs and XK8s followed with the strongest cat in this Prowl of Jaguars being the French racing blue XK R-S of Ian & Paula Massey from the Jaguar Car Club of North Florida (JCCNF).

There were also some interesting older Jags mixed in among the group. Of note were 2 beautiful E-type coupes, and the unusual turquoise-colored 1996 XJS of John McCarthy of the Sun Coast Jaguar Club (SCJC)..

There was a considerable amount of spirited driving en route to the designated rendezvous lunch spot, Hollerbach's Willow Tree Café in Sanford --recently voted the best German restaurant in the Greater Orlando area. While an Irish Pub might have been a more fitting choice on this St. Patrick's Day, the Willow Tree was doing a very good job of celebrating. Along with offering a special of corned beef & cabbage, of course, there was an ample selection of various beers befitting the occasion.

The traditional worst navigator prize for the car arriving last went to Jim & Anita McGraph this year. Further, there was an added twist to this drive as Jay had listed a number of questions on the routing sheets to be answered along the way. The answers were graded at the end with some appropriate awards for the winners and last place participants. The winners, who were the only ones with all correct responses, were Jerry & Joan Roscoe.

Although Robert Delmar and his twin brother, Charlie, had been the odds-on favorite to again win the worst navigator award, they were not shut out as being last in some category by getting the fewest correct answers. They were presented with a large beer-filled glass boot by a young fraulein waitress who led a raucous toast to the losers.

The luck of the Irish held, and no rain was encountered on the journey. It was indeed another wonderful fun-filled JCOF day!

Jaguar Club of Florida (JCOF) January 12, 2019 Membership Meeting 7:00 PM

Bar Louie, 460 Orlando Ave #122, Winter Park, FL
Meeting Facilitator: Delilah Davis, President, JCOF

No regular meeting was held in March due to the JCOF Concours d'Elegance activities. The following notes were provided by President Delilah Davis and edited by the Secretary as the Secretary could not be present.

President Delilah opened the meeting with the Pledge of Allegiance and a moment of silence to remember the JCOF Club members who have passed away in the recent past.

President's corner:

- **Delilah opened a discussion on the International Jaguar Festival in 2020** which will be chaired by Phil Mannino of the Jaguar Club of SWF with assistance of JCOF, and Sun Coast Jaguar Club (SCJC).
- **An invitation was extended to JCOF** members on Wednesday, April 17th by the members of the Mercedes Benz Club of Central Florida and the Rolls Royce and Bentley Club to the M Bar in Orlando, FL. This is a social event for elite car owners to visit the on-site museum and socialize at the roof top bar.
- **An update was given by Delilah on the success of the JCOF March Concours d'Elegance** at the Villages. \$410.00 was raised for The Kidney Foundation in honor of Joe Tarnowski. A very successful Tour was held Sunday, after the Concours, which included a "treasure hunt" to find roadside landmarks to keep the trip interesting and a lunch at the Hollerback Willow Tree Café in Sanford.
- **Judy Delmar** received recognition for the huge effort in creating the new website www.JaguarClubFL.com. The club truly appreciates her work. The new website on completion will have a store, PayPal access and the ability for members to fill out forms and return them online.
- **After Delilah invited the Club to plan a tour to Koch's private car collection in Palm Coast**, which includes a completely reconstructed Barber Shop from the 1800s, Jay Hixson agreed to look into planning a tour route.
- **Delilah proposed a new venue for the summer party at 520 On the Water** by Lake Monroe, Sanford and the members approved of the location and budget for the event which is scheduled for August 3, 2019. The venue allows for a cookout with members bringing side dishes as always. We already have a DJ paid for by the club for 3 hours, from a winning bid at a Cancer fundraiser. There will be pontoon boats available for rent to travel up the St. Johns River.

Jaguar Events of Interest:

- **Frequently check www.JaguarClubFL.com** and click the [Events](#) Tab.
- **Tom Wright announced June 15, 2019 as a date for the next Slalom:** Saturday, 8:30 -12:00, Lake County Technical Center, 13000 Frankies Rd., Tavares, FL.
- **20th Annual Asheville Outlets Autumn in the Mountains Car Show** for British and European cars and motorcycles to be held September 28, 2019. For more information go to <https://www.bccwnc.org>

- **Keep an eye out for an email regarding the time and place of the May JCOF Meeting.** Present members were asked to submit alternate venues for monthly meetings that will accommodate the Club.
- **Proposed date for next year's JCOF Concours is March 20-22, 2020.** Delilah presented plans to have the next JCOF Concours in Lake Mary since the event locations are conveniently close together with local restaurants and a hotel, which will give a discounted room rate, and trailer parking.

Committee Reports:

- **Treasurer, Danny Bogdany, provided a full report to members in attendance.**
- **Steve Handler gave an update of the Membership.** New member, Bob Williams, from Maitland was warmly welcomed at the meeting.

A raffle was held with proceeds going to the Club treasury.

Respectfully submitted,

Genie Sierra, JCOF Secretary
