## ABOUT OUR JAGUAR CLUB

### *The Funnest Car Club in Florida*

The Jaguar Club of Florida (JCOF) was founded in 1977 by a small group of enthusiasts who had a common love of ownership, operation and maintenance of the world's most beautiful automobiles – Jaguars. From that modest start with a handful of participants, JCOF has grown to almost 200 active members, affiliate spouses and friends. JCOF is proudly affiliated with Jaguar Clubs of North America, Inc. (JCNA), an organization comprised of more than sixty clubs throughout the United States, Mexico and Canada.

Membership in JCOF automatically includes: membership in JCNA; subscriptions to both the award-winning *JAGWire* newsletter and the JCNA *Jaguar Journal* which are delivered bi-monthly; discounts on insurance at Hagerty Insurance; deep discounts on JCNA Shoppe purchases and Jaguar Heritage Certificates; discounts from other commercial suppliers, and access to the JCNA Tool Loan Program.

JCOF members participate in a myriad of events including driving venues such as tours, rallies and slaloms; monthly brunch or dinner meetings; Holiday and Summer Splash parties; our annual Jaguar Only Concours d'Elegance, and other 'pop-up' events such as car shows; Cars & Coffee get-togethers, and breakfasts with other car clubs. We encourage family participation and many members bring children, grandchildren and friends to our events.

In addition to *JAGWire* newsletter, we communicate with members about local news and event information through electronic mail updates, websites and webpages. Check out prior editions of our award-winning newsletters at [www.JaguarClubFL.com](http://www.JaguarClubFL.com). After joining JCOF, you will receive your membership card from JCNA, and after you've attended your first JCOF event, you will receive a JCOF name tag.

If you have any questions regarding membership, please contact the JCOF Membership Chairperson:

## *Hello fellow Cat Drivers,*

We have had an interesting couple of months. I am delighted to welcome all of our new members. The Saturday, May 11<sup>th</sup> Meeting at The Villages was attended by many new people. Everyone seemed to enjoy participating and learning about the various activities our club offers. They became acquainted with our new website as well as the events and activities our club and affiliate clubs provide.

On June 15<sup>th</sup>, JCOF sponsored the annual Summer Slalom at Tavares. We had a good turnout and lots of fun. Ian Crawford took first place with best overall time. Dwight Algeo took second place with his Police Interceptor. He really rocked the course and was only about 3 seconds behind Ian's famous Jaguar 'Green Rocket' race car.

The Slalom was followed by the "Freeloaders Lunch," hosted by Ian Crawford, his son and son-in-law at his beautiful Lake House.

As usual, they put out quite a spread with all sorts of goodies.

Our next meeting will be at the Village Inn in Winter Garden on July 20<sup>th</sup> at Noon. There will be discussion about our 2020 Concours d' Elegance. We may have to change locations from the Marriott in Lake Mary. I will be contacting the Mission Inn at Howey-In-The Hills for information.

Our next fun event will be August 3<sup>rd</sup> at my home, 1715 Sunwood Dr., Longwood, FL. We are looking forward to another fun day with comradery, food, music, games, swimming pool and, of course, Delilah's famous *Tropical Margaritas*.

*Cheers and Let's Drive !!!*

## JCOF'S Sizzlin' Summer Slalom

Over 50 enthusiastic drivers and spectators arrived at the Lake County Tech Center in Tavares between 8:30 and 9:30 am on Saturday, June 15, for JCOF's annual *Sizzlin' Summer Slalom*. Unlike previous years, many competing drivers and their cars were first timers. After receiving explicit instructions and being led on walking tours of the tight slalom course, drivers were ready to put on their helmets and test their driving and their cars' abilities and skills.

Our slalom competition is also a very popular spectator sport! Describing "screaming spectators" might be an overstatement. So, suffice it to say, "spectators enjoyed sitting in the shade, visiting, and making new friends. Besides, the 'real' reason for spending a hot summer morning at a desolate racetrack was to build appetites for the *Freeloaders Lunch* at Ian Crawford's nearby lake house.

Jaguar Club of North America (JCNA) has strict, 'standardizing' [rules](#) for setting up the driving course and the inspection standards for competing vehicles. Thereby, scores between affiliate JCNA clubs can be objectively compared to determine standings.

JCNA awards are announced at the Annual General Meeting (AGM) in March of each year. JCOF members are often recipients of such coveted awards for their short slalom times. Those times might have been a bit longer this year because of loose sand and gravel on the pavement. Whatever, the following times are official and may still likely earn some of our members fame, if not fortune.

## Freeloaders Lunch at Casa Crawford

By Robert Delmar

As if Saturday's Slalom wasn't enough fun for the day, Ian Crawford invited everyone to his family's summer home on Lake Harris for a Freeloaders Lunch! A visit to Ian's garage would have been a delightful treat alone, but to share gracious hospitality and sumptuous food in a gorgeous home? My-O-My!

No one dared guess the value of the cars in Ian's garage. There were two of only 271 Jaguar XJ220s built from 1991-1994. "The Fastest Car in the World" in the 1990s got up to 27 mpg. (Gas mileage must have been an important factor for purchasers of a \$750,000+ Jaguar in the early '90s).

With prior year records as the *Fastest Slalom Car in JCNA*, Ian's 1971 Series II E-Type 'Green Rocket' was quite at home in this garage. Much prettier is his Blue Series III E-Type that he's been restoring in the past fifteen years. Hmmmm. Which car in this garage might be the fastest 0-60? Any of four Jaguars? The Porsche GT3? The Ferrari? Chances are the fastest 0-60 would be his Tesla Model S, left sitting in the driveway.

Several Crawford neighbors joined us for the Freeloaders Lunch. It was the first time for some to see the fantastic cars up close. Someone noticed numerous plaques and awards on display. Of special interest was the JCNA Newsletter Award for Ian's article and wife Hazel's photographs of Jaguars (Big Cats, not cars) made on their adventurous trip down the Amazon River in Brazil. The article and photos are absolutely amazing! [Click Here](#) to read in JAGWire Archives.

## Lunch? Lunch? Did someone call for Lunch?

I was so busy taking photos and admiring the beautiful cars, I wound up being last in line for lunch. However, even after I had my fill, there was enough food to feed 30-40 more Freeloaders, though cold beer seemed to be more popular than the delicious Bar-B-Q.

To say that a good time was had by all would be an egregious understatement. A number of new members attended and should now have a good idea of why JCOF is known as *The Funnest Car Club In Florida*. These Fun Photos may help tell the tale:

*Ginger Corda & Ian Callum at 2012 Pebble Beach Concours*

**Ginger Corda, retired editor of *JAGWire* who earned JCNA's Karen C. Miller award for "Best Jaguar Club Newsletter" in North America in 2006, shared the following story:**

Sometimes, I am glad that I am bold [an understatement]. I asked Ian Callum to draw a car for me, and wow...he did! That treasured art lives in my safe. He sketched it in 2005 in the Chateau Elan lounge over drinks, on a poster of the [just-debuted Advanced Lightweight Coupe concept car](#) that we had just gotten from the Championship Challenge meet in Braselton, Georgia.

For JCOF, it was a big road trip to Georgia near Road Atlanta. Mike and I drove the 1971 V12 E-Type up with friends from the south Florida club in another V12 E, along with John & Rocco Falco and Tom Curren trailering John's freshly restored E-Type. The Florida clubs had quite a contingency that year – I remember well the photos we took with our E-Types and the 1935 SS II Tourer in front, long before it was mine. What a blast we had. Mr. Ian Callum was our featured Jaguar guest that year. Brilliant, talented man. Minimalist almost - loved clean designs.

So, after a few drinks, with a borrowed pen, on 'fan demand,' he chose a place on the ad, and he created this really cool sketch right above the printed word, "concept" on the post. We enjoyed watching him at work – his artful pen strokes – as he explained which lines he starts with. Ian can't sketch without design, and he gave particular attention to the higher doors and narrowed "eye" window shape. He then surprised me by ending with a sharp front, and back -- new stuff – Including bigger wheels. He loved the bigger wheels.

I was very impressed, to say the least. It only took him a minute...just a sketch. A doodle. And then he signed it with a big Sharpie marker as a keepsake. Great memories. Wonderful stuff. We had a nice chat about the prospects of anything like the E-Type ever being built again. Just looked at the sketch again now, and it slightly resembles the current F-Type. Hmm

# Jaguar Club of Florida (JCOF)

## May 11, 2019 Membership Meeting 11:30 am

Palmer Legend Country Club, 1635 Palmer Way, The Villages, FL  
Meeting Facilitator: Delilah Davis, President JCOF

The following agenda and notes were provided by President Delilah Davis and edited by the Secretary, Genie Sierra, as the Secretary could not be present.

**President Delilah opened the meeting with the Pledge of Allegiance and a moment of silence** in honor of those JCOF Club members who have passed.

### President's Corner:

- **Delilah discussed how to access the new JCOF website, [www.JaguarClubFL.com](http://www.JaguarClubFL.com). Delilah continued discussion from last meeting about the JCOF 2020 Concours d'Elegance. It will be held at the Orlando Marriott Lake Mary Colonial Town Park 1501 International Parkway, Lake Mary, FL on March 20-22.** The Concours show and judging will be held in the Colonial Town Park Center, just blocks from the hotel. Dwight and Delilah, as well as Jay Hixson, have visited the site and agree that it will be a perfect and well accommodating site. They have chosen Juan Sierra to chair this Concours with the help of Will Hoehndorf, Eric Klerholm and Delilah Davis.
- **JCOF received a check from the All British Car Club for our help at their April 6<sup>th</sup> Show.**

### Committee Reports:

- **JAGWire editor Robert Delmar** noted that the **deadlines for columns, articles and photos is the 15<sup>th</sup> of even numbered months: June, August, October and December of this year.**
- **Membership Chair Steve Handler** announced the current club membership is now 98 members.

### Old Business:

- **Delilah discussed plans for a JCOF Tour to the private collection of the Christopher and Kathleen Koch in Palm Coast.** This tour is postponed until November as the hosts are out of state until then. Jay Hixson drove the course and mapped out the roads for the later date, TBD.

### New Business:

- There was an introduction of new members present. New member, Cheri Lindell volunteered to help wherever she is needed at the Concours. Delilah suggested that she could help with the registration table and goodie bags.
- There was a suggestion by William to possibly get cards to punch where volunteers who help would be recognized with some sort of gift after so many times of helping.
- It was suggested that possibly a separate group would form in The Villages for members since so many of our club members live there. Steve Handler and Will Hoehndorf will look into that since the demographics seem to be moving to that area.

**A raffle was held** with proceeds going to the Club treasury.

*Respectfully submitted,*

*Genie Sierra, JCOF Secretary*

This group of CatDrivers proudly displayed their beautiful cars at the Dellagio Fountain in Dr. Phillip's, Orlando.

Front Row: Genie Sierra, Iris Handler, Delilah Davis, Karen Hixson, Norma Hoehndorf and Will Hoehndorf.

# Coventry Foundation Preserving Jaguar® History

by Tom Wright, and Gary Kincel

Recently, George Camp, received a magnificent donation from Jim Stockton of his Jaguar MK2, and transported it back to the Coventry Foundation Library/Research Center in Columbia, SC. This great example will become part of the Foundation collection and be available for view, and research at the library. This particular example of the MK2 is a very early one. It is 55<sup>th</sup> MK2 built, and has a 3.4L motor. These early ones were typically ordered in Japan, and in this case we have not yet determined where it was originally delivered. It is thru the generosity of folks like Jim, that the Foundation has grown rapidly over the past few years in our mission to serve the enthusiast community in North America.

***CJC member Jim Stockton (L) donating his MK2. Foundation(Secretary/Treasurer) accepts this generous gift on behalf of the Foundation***

The Coventry Foundation (Foundation) is a not for profit charitable corporation created to perpetuate the heritage of Jaguar® Cars in North America filling a role analogous to that of the Jaguar Daimler Heritage Trust.

The Foundation's mission is to serve the needs of Jaguar® enthusiasts throughout North America on the belief that these wonderful cars should be enjoyed, driven, raced, and shared with the public to encourage the involvement of people of all ages in the appreciation of Jaguars®. Although relatively new, the Foundation has been making great progress in expanding beyond the scope of Jaguar® Cars and Jaguar Clubs of North America (JCNA). The Foundation is separate from those organizations (as required by USA law for charitable organizations) but it works closely with both pursuant to agreements where their interests and missions overlap.

The Foundation has established a Library in Columbia, South Carolina well stocked with historic and technical books to serve as a resource for historical information related to the restoration and repair of Jaguar® Cars. The Foundation also provides information and copies of out of print documents. These materials are available by appointment to Patrons of the Foundation desiring to research their favorite Jaguar®.

The Foundation has a display area in the British Sports Car Hall of Fame at the Moss Facility in Petersburg, Virginia and is working towards finding a second library/display location on the West Coast. The next major step will be a permanent Museum location where the Foundation's functions can be consolidated and its collections displayed and opened to Jaguar® enthusiasts from around the World.

An endowed scholarship program at Penn Technical College for students in their accredited training program for the restoration of classic cars has been created by the Foundation. Additional scholarships are in the planning stage.

The Foundation's extensive collection of model cars, framed artwork, rare, original, and authentic Jaguar® artifacts, and classic Jaguar® Cars which includes an XK140 FHC, a Mark II Sedan, a Series III E-Type, and an early XJS are displayed at the Library in Columbia, SC and at the hall of Fame in Petersburg, VA.

The Founding Fathers of the Foundation are Gary Kincel (President) and George Camp (Secretary/Treasurer). Dick Maury, Gary Hagopian, and Tom Krefetz are Founding Board of Directors Members and Tom Wright has performed the legal work. All have filled important positions

within JCNA including three who served as JCNA President. Micheal Dale (former Jaguar® Cars North America President) and Bob Tullius (of Group 44 fame) are expert advisors to the Foundation and their knowledge and experience is invaluable.

The Foundation welcomes new Patrons from around the World. Please visit the Foundation's website at [www.coventryfoundation.org](http://www.coventryfoundation.org) and its FaceBook page to learn more. You can become a Patron online. Your donations are necessary to help the Foundation achieve its mission.

As a vital resource in preserving Jaguar® history, the Coventry Foundation will be instrumental in carrying the legend forward.
