## Hi, Jaguar Friends,

Time just flies by, even if there is not is much going on in the car community. I'm so glad that many of our members could attend the Splash Party at Delilah's home and see her newly redecorated pool area.

I have run into a period when everything breaks down: cars appliances and more. Even one of the Jags, the 2011 XK convertible. The battery, under two years old, suddenly just totally died. I always have a float charger on the cars, but when I got out to start it, "0!" It must have had a bad cell and wouldn't even jumpstart.

The problem with the XK is that the battery is in the front of the trunk/boot. Of course the car was parked with the top down. That means you have to release all the connections and manually put the top up to get access to the battery!

When you finally get the battery loose, the next trick is to get it out. It's quite heavy, and the position in the front of the trunk makes it a real back breaker.

Thank goodness I had a spare battery to start the car! Now, the thing with this car is you can't just put in a new battery. The car will not charge correctly. You must have the 'correct' battery and then reset the computer.

I'm so glad we have the "Jaguar Doctor" Andy Atkinson in our area to help us. I booked an appointment to install a new battery and reset the computer. He even helped with adjusting the top after it was put up manually. So, I can now enjoy my fantastic Jaguar again with the top down!

I'm hoping all of you can join us for the Sizzlin' Slalom and Free-loaders Lunch on October 31. This is one of our most fun events in the year. It's even Covid-19 safe since it's outside and we can keep safe distancing. RSVP using the next to last page in this edition of JAGWire, or [download the registration form](#) from our Event Calendar at [www.JaguarClubFL.com](http://www.JaguarClubFL.com).

## ABOUT OUR JAGUAR CLUB

The Jaguar Club of Florida (JCOF) was founded in 1977 by a small group of enthusiasts who had a common love of ownership, operation and maintenance of the world's most beautiful automobiles – Jaguars. From that modest start with a handful of participants, JCOF has grown to almost 200 active members, affiliate spouses and friends. JCOF is proudly affiliated with Jaguar Clubs of North America, Inc. (JCNA), an organization comprised of more than sixty clubs throughout the United States, Mexico and Canada.

Membership in JCOF automatically includes: membership in JCNA; subscriptions to both the award-winning *JAGWire* newsletter and the JCNA *Jaguar Journal* which are delivered bi-monthly; discounts on insurance at Hagerty Insurance; deep discounts on JCNA Shoppe purchases and Jaguar Heritage Certificates; discounts from other commercial suppliers, and access to the JCNA Tool Loan Program.

JCOF members participate in a myriad of events including driving venues such as tours, rallies and slaloms; monthly brunch or dinner meetings; Holiday and Summer Splash parties; our annual Jaguar Only Concours d'Elegance, and other 'pop-up' events such as car shows; Cars & Coffee get-togethers, and breakfasts with other car clubs. We encourage family participation and many members bring children, grandchildren and friends to our events.

In addition to *JAGWire* newsletter, we communicate with members about local news and event information through electronic mail updates, websites and webpages. Check out prior editions of our award-winning newsletters at [www.JaguarClubFL.com](http://www.JaguarClubFL.com). After joining JCOF, you will receive your membership card from JCNA, and after you've attended your first JCOF event, you will receive a JCOF name tag.

If you have any questions regarding membership, please contact the JCOF Membership Chairperson:

## 2020 JCOF Summer Splash Party

Well, where to begin?

We celebrated the annual Thomas Curren memorial Splash Party which was originally scheduled for August 1st, then September 5th, continually delayed due to the Covid, then finally pulled together on Saturday, September 26th.

Many of our members who usually attend every year did not come this year because of the Covid. Despite that, we had a good turnout of 28 people who enjoyed themselves immensely. The festivities began with everyone bringing some delicious goodies to share. We had brisket, wings, a delicious variety of salads, hummus, a variety of cheeses and lots of *decadent* desserts.

We celebrated Dan Middleton's 90th birthday with a luscious chocolate cake and honored Marilyn Middleton as well. Her birthday was July 6th, but no age was announced.

Another highlight for the foodies, were two beautifully decorated Czechoslovakian potato salads made by Jana Vacata. Jana also made the most interesting and delicious dark chocolate pot, with a lid and a handle made of chocolate, and with a cake in the middle! Everyone *tried to figure out how she made it. It's still a well kept secret!*

We had a ceremony with "King," Dan Middleton, who donated a beautiful, large memorial bell to be used as a new tradition at future JCOF Concours Banquets to honor those who

previously earned the coveted Dan Middleton President's Meritorious Service Award but have passed away.

Delilah then presented Dan with a *Lifetime Achievement Award* that she personally designed and had produced by JCOF member, Pavel Vacata.

JCOF Vice President, Tom Orlando, then presented Dan and me with some very unusual writer awards for our articles published in *JAGWire* e-Magazine in 2019. As a JCNA newsletter category nominee, Dan received a lifelike Leg Lamp replica, including a Clapper, like the one in the popular *Christmas Story* movie. *“Ahh, fra-gee-lay,,,,it must be Italian!”*

As a JCNA newsletter contributing writer, I received a Leg Lamp night light. Dan and I also received large Spark Plug trophies for *“PUTTING A SPARK IN JAGWire!”*

3 gallons of Margaritas “evaporated” quickly!

A visit to Delilah’s home is always a pleasure. As often happens, she redecorated extensively during the past year. Gary Thomas pitched in and created some spectacular murals in the poolside lanai.

Will Hoehndorf was also absent from this party where he was named recipient of the coveted

Dan Middleton *President’s Meritorious Service Award* for 2020!

We welcomed a new member, David DeHann, from the Cape Canaveral area. He had not yet met other JCOF members since he was new to the area that is not very close to any of us.

David seemed thrilled to be here and meet JCOF members, visit with everyone and tour the grand resort. He won a prize for naming a Cactus “Rainstick,” and he also took home a couple of Tom Curren’s memorabilia. *Thanks, David, for bringing the most decadent chocolate cake! I am still enjoying it.*

## 1935 SS 1 Airline Saloon AWR 564

This SS Airline is one of the best-known and most well preserved remaining examples. It was delivered new in March 1935 to a Captain S Clough by Yorkshire SS dealer Glovers of Harrogate. By 1948 the car had passed to L A Reid of Kirby near Liverpool who owned it until 1984 when it was bought by the History of Jaguar Museum in Maldon which had the car fully restored by local specialists Fulbridge. In 1994 the museum closed and the car was put up for auction by Brooks where it was purchased by Jaguar Daimler Heritage Trust with the aid of a grant from the Prism

Airline was only in production for a period of two years from 1934 to 1936 during which time 624 were produced, out of the total of 4,254 SS1 cars of all types. The price was initially £360 for the 16 hp model and £5 extra got you the bigger 20 hp engine, although these prices were reduced by £20 for the 1936 season.

Like many other cars of the period, the Airline paid lip service to the then current fashion of streamlining and also reflected the Art Deco style. It has been said that William Lyons – stylist as well as company director – did not personally like the model, and the Airline has been attributed to the influence of William Walmsley, Lyons’s original partner, who would soon leave the Company. Whatever, it is without doubt the most striking of all the different SS1 body styles, with many unique features, such as the twin wing mounted spare wheels.

# JCNA and JCOF 2019

# CHAMPIONS

Though JCNA and JCOF awards and trophies are normally presented at our Concours d'Elegance Awards Banquet each year, this year has not been normal. In fact, a number of JCNA trophies have not yet even been manufactured due to Covid shutdowns. Other JCNA trophies were unceremoniously delivered by mail.

JCOF almost always has a number of JCNA award recipients. 2019 was no exception.

Top of the list was our worthy webmaster, Judy Delmar, who created and maintains [www.JaguarClubFL.com](http://www.JaguarClubFL.com), named by JCNA as 2019 "BEST JAGUAR CLUB WEBSITE IN NORTH AMERICA!"

**Our 2020 Concours d'Elegance had to be canceled but JCOF's 2019 JCNA Concours Champions were not overlooked:**

**WILL & NORMA HOEHNDORFS' 2002  
XKR OTS ranked SECOND IN ALL  
NORTH AMERICA in JCNA Driven  
Class D10/K8 with a score of 9.99033!**

*2019 JCOF JCNA

**JERRY & JANICE WISES' 1973 E-Type Coupe ranked **SECOND** in JCNA Southeast Region **CHAMPION** Class C5/E1 with a score of 99.94000!**

**GARY & DEE BERGLINS' 1970 XKE Roadster took **FIRST PLACE** in JCNA Southeast Region Driven Class D3/E2 with a score of 9.98500**

### ***Ian Crawford was #1 in North America, Class 'H'***

*H – Modified Class – Lightweight Jaguar sports cars (XK 120, 140, 150, C, D, XKSS, and E Types); Jaguar powered specials and replicas (Concours eligible).*

*Ian completed the complex slalom circuit in just 43.62 seconds! He promises to do better in Tavares on October 31!*

### ***Tom Wright was #1 in North America, Class 'B'***

*B – All XK's – 120, 140, 150 and not including XKSS, C & D types (1949-1961)*

*Tom's exquisite 1959 XK150S is a luxurious tourer and much heavier than Ian's "stripped" XKE. Even so, it took 1st place in class in North America, competing the slalom in just 53 seconds.*

### ***Jerry Roscoe was #2 in North America, Class 'E'***

*E – E Types – 12 cylinders (1971-1975)*

*Due to Covid-19, all but three JCNA sanctioned slaloms have been canceled for 2020. Saturday, October 1, is still open for you to compete and quite possibly be recognized among JCNA's "Best in North America" Slalom Drivers in 2020!*

## 2019 JAGWire Writer Awards

The Jan-Feb 2020 edition of JAGWire announced, “Eighteen articles written by JCOF members and published in JAGWire last year were recently ‘scrutinized’ by five judges. Articles from each of six JCNA newsletter categories were selected and submitted to JCNA for judging.

Our judges’ choices were carefully placed in a hermetically sealed Mason Jar that would not be opened until our JCOF Concours Awards Banquet, originally scheduled for March 23, 2020. Our best laid plans were later put asunder by the very real threat of Covid-19. It was beginning to look as if it wouldn’t be until 2021 before we might have a real, live, socially responsible awards presentation! Soooo, instead, here is your internet, interactive announcement of the eighteen articles and the writers who helped make JAGWire e-Magazine so enjoyable throughout 2019.

Each of our JCOF “Writers of the Year” will receive a personally engraved Spark Plug Award, shown above, PLUS an “EnLIGHTening” Leg Lamp: A 5” night light for his/her article or a 20” table lamp with CLAPPER (shown by the winner in each category) for winning the nomination to be submitted to JCNA for North America competition!

## JCNA's Newsletter "PHOTO" Category had a TIE!

It's unusual for any JCNA award category to result in a tie, but this year was an exception. Kurt Jacobsen, Editor of JAGMAG newsletter of Jaguar Drivers & Restorers of Northwest America (Seattle) captured a gorgeous photo of JCOF member Art Patstone's 1956 XK140 FHC on the fairway at the 2019 Amelia Cars & Coffee. It was so striking, I published it on the cover of the 2019 Nov-Dec edition of JAGWire.

Your humble JAGWire editor had also made a gorgeous photo at the same 2019 Amelia Concours and decided to enter it in JCNA's Newsletter Photo Award competition.

TA-DA (drumroll please ) WE HAD A TIE!  
Kurt and I both earned special awards from JCNA for "Best Jaguar Club Newsletter Photo in North America for 2019!"

Be sure to lick on the thumbnail cover for each edition and read the articles
