"The Funnest Car Club in Florida"

1998 Jaguar XKR 'James Bond Car'

The villain's car from the film "*Die Another Day*"

The film *Die Another Day* released by MGM Studios and EON Productions in November 2002 was the 20th film in the James Bond series, the most successful film series of all time. In this film, the hero was once again to be found behind the wheel of an Aston Martin, following the tradition from the 1960s when an Aston Martin was first used by James Bond in the film *Goldfinger*. In the years in between, many other makes of car have featured in the Bond films.

So while the Jaguar XKR undoubtedly had an important role in *Die Another Day*, it was the villain's rather than the hero's car. The Jaguar XKR was the car of Zao, played by Rick Yune. The XKR was seen as an appropriate match for Zao, combining a sleek exterior with a heart of power and ferocity. The car was equipped with a Gatling gun mounted centrally behind the seats, while further armaments included missiles fired through the front grille, rocket launchers in the doors and mortar bombs in the boot.

There were in fact no less than eight Jaguar XKR cars used in filming. Half of these were standard cars with only cosmetic modifications, the rest were rather more special as they were built on a complete four-wheel drive chassis, apart from having all the weapons systems. The work was done in the Pinewood Studios workshops in England. Of course, from the outside all the cars looked the same, and all were finished in the same metallic light green that was used for the Jaguar Racing Formula One Grand Prix cars.

The reason why it was necessary to re-build both the Jaguar, and Bond's Aston Martin, with four wheel drive, is that these cars featured in one of the most amazing sequences in the film, a dramatic car chase on ice, filmed on location in Iceland in early 2002. For this reason, some of cars were also fitted with Icelandic number plates. And to find out how the chase ended, you will have to watch the film for yourself!

President's Message

President Tom Orlando

646-265-5594 President@JaguarClubFL.com

Greetings, Jaguar Club Members,

Our Club had a great turnout for our last Meeting and Photo event, I'm sorry my illness prevented my attending.

Two things need to happen to bring our club to the next level. JCOF is a social club and we need to "show the world" our Featured Cars... not just at a Concours.

Many, many people at The Villages Car Show asked, "Where are all the old Jaguars?" I'm just telling you that maybe we should share our passion with others a little, probably a great deal, more.

You may still have an opportunity to have your special Jaguar photographed for our Calendar. Check Facebook and our JAGwire website for updates.

We hope to see you all at Delila Davis' Margaritaville Party September 11, then our Slalom and Freeloaders Lunch at Tavares Tech Center September 25.

I've decided to go all in on an XKE "Project car" and offer these fine Concours Jaguars **FOR SALE!**

With only 16,500 original miles, this 1990 XJ-S V12 convertible was two-time Concours d'Elegance 1st Place winner in Preservation Class, scoring 99.62.

Bring it to the 99.99 point level with little effort. It also earned 2nd place in JCNA North American Slalom Championship.

Asking \$37,999

Just \$4,999 buys this beautiful classic 1984 XJ6 Jaguar with only 74,000 miles. This and the red XJS are offered by JCNA Judge and JCOF Club President, Tom Orlando. 646-265-5594, President@JaguarClubFL.com

JCOF 2021 at Orlando Auto Museum

Our July monthly membership meeting was followed by a *free* bonus tour of The [Dezerland Auto Museum](#) in Orlando. Our Docent guided our members through a fabulous display of over a thousand vehicles. You have seen the James Bond “*Die Another Day*” film’s Jaguar on the cover of this JAGWire, but unless you toured with us you missed the most exceptional display of Bond Vehicles and movie memorabilia in the world!!

Movie Cars were featured throughout our excursion and included *Indiana Jones, Baywatch, The Munsters, Grease, Mad Max, Easy Rider, Back to the Future, Speed Racer...* Well, you get the picture.

So many Cars and rooms to experience. Each place displays a different feast for the eyes. The Chrysler Room, England, Italy, Israel, France! As a whole, this place gave you your fill, We arrived at 11 am and had to pull ourselves away at 4 pm!!

Dezerland has great game rooms, go carting, movie theaters, food, mini golf, pinball rooms, etc., etc., etc. Boy- Oh-Boy! Something there for everyone! But those cars just outshine everything: Even a real Bat Cave with at least 10 Batmobiles from every movie and TV show.

If you didn’t join us for our free invitation-only experience, just let me know and I’ll get you 1/2 price coupons for you to go on your own!!

ABOUT OUR JAGUAR CLUB

The Jaguar Club of Florida (JCOF) was founded in 1977 by a small group of enthusiasts who had a common love of ownership, operation and maintenance of the world's most beautiful automobiles – Jaguars. From that modest start with a handful of participants, JCOF has grown to almost 200 active members, affiliate spouses and friends. JCOF is proudly affiliated with Jaguar Clubs of North America, Inc. (JCNA), an organization comprised of more than sixty clubs throughout the United States, Mexico and Canada.

Membership in JCOF automatically includes: membership in JCNA; subscriptions to both the award-winning *JAGWire* newsletter and the JCNA *Jaguar Journal* which are delivered bi-monthly; discounts on insurance at Hagerty Insurance; deep discounts on JCNA Shoppe purchases and Jaguar Heritage Certificates; discounts from other commercial suppliers, and access to the JCNA Tool Loan Program.

JCOF members participate in a myriad of events including driving venues such as tours, rallies and slaloms; monthly brunch or dinner meetings; Holiday and Summer Splash parties; our annual Jaguar Only Concours d'Elegance, and other 'pop-up' events such as car shows; Cars & Coffee get-togethers, and breakfasts with other car clubs. We encourage family participation and many members bring children, grandchildren and friends to our events.

In addition to *JAGWire* newsletter, we communicate with members about local news and event information through electronic mail updates, websites and webpages. Check out prior editions of our award-winning newsletters at www.JaguarClubFL.com. After joining JCOF, you will receive your membership card from JCNA, and after you've attended your first JCOF event, you will receive a JCOF name tag.

If you have any questions regarding membership, please contact the JCOF Membership Chairperson:

Hello Fellow Cat Drivers,

If you know someone who has not yet renewed membership in JCOF or someone who either owns or admires Jaguar automobiles, please contact them and ask them to **Join Us For Fun!**

Tell them about our "Best Jaguar Club in North America Website" www.JaguarClubFL.com where they can click the [JOIN/RENEW](#) tab and pay the modest fee online.

Remind them to add a co-member or spouse, and be sure to include both email addresses.

In case you've already renewed for 2021 but forgot to add your own co-member/spouse, simply complete another renewal form, and pay only \$10.00. S/he will receive voting rights, a name tag after attending one JCOF event, plus individual copies of *JAGWire* e-Magazine. Don't forget to include her/his email address.

JCOF Town & Country Driving Tour

by Jay Hixson, Rally Master Extraordinaire

By the end of May every member of the Jaguar Club of Florida (JCOF) was ready to put COVID, mask wearing and lockdown behind us and get back to life! We were chomping at the bit to get back in our cars, and a road tour seemed like just the ticket. Central Florida is filled with many beautiful small towns and open countryside. When organizing this latest JCOF driving event I decided to combine both in the "Town and Country Driving Tour." On 12 June, 14 cars and 26 people gathered for bagels and coffee at the Windermere Panera Bread Restaurant. Final instructions were briefed to the adventurous Jaguar lovers. Questions were answered and soon the beautiful sound of roaring engines filled the air.

The first half of the tour was designed to allow participants a chance to drive through and view a few of the outstanding small town main streets with their quaint shops and cafes; in hopes that they might come back for longer visits. In order, we traveled through high priced Windermere, beautifully landscaped Winter Garden (while their outstanding farmers market was taking place), rural Oakland, active Clermont, old south Groveland and Mascotte. Each town has its own personality. It was fun to see people stop and admire our beautiful Cats slowly cruise through their town.

We stopped at the Clermont Waterfront Park for a rest. The park is located on gorgeous and very large Lake Minneola. We were lucky to find parking as the weather had called local residents to enjoy the water, sun and sandy beaches. After about 30 minutes, we fired up our cars and began the second half of the tour that was to utilize two-lane country roads and let our Jags stretch their legs. We enjoyed open countryside with minimum traffic as we headed West out of Clermont and Groveland.

As the road opened up, our speeds increased! Then North through open farmland before turning East for some winding roads and sharp turns that tested tire grip and driving skills. Great fun! Personally, I love the sound of my F-Type S as it winds through 5,000 RPM. You can almost hear it begging for more! In contrast, my wife Karen often begs for less.

Our final destination was Lakeridge Winery. There, we enjoyed a fantastic tour and wine tasting. It seems that a group of our members got stuck in the tasting room for quite a while as the rest of us headed for the picnic area for lunch. Lakeridge Winery does a really nice job of providing food, drink and entertainment every weekend. An excellent blues band was playing and we sat at tables and in lawn chairs enjoying the company of fellow club members while having a glass or more of wine or cold beer.

Everyone made the entire route except our intrepid President Tom Orlando and his wife Jana. Seems like their classic XJ-6 lost fuel flow. We all had a wonderful time and hopefully discovered some new places to individually take our Jaguars in the future.

Jaguars Are Car of The Day at Spanish Springs Cruise In

The Jaguar Club of Florida was featured during Saturday's event.

By MADDIE CUTLER
Daily Sun Staff Writer

With paint jobs washed and waxed, interiors vacuumed spotless and drivers ready to chat about cars, Saturday's cruise in was a hit for drivers and car fans alike.

The Villages Entertainment held Saturday's event at Spanish Springs Town Square. Despite high heat the crowd was happy to explore the vintage cars parked along the square.

At Saturday's cruise in the Jaguar Club of Florida was invited as the featured car club of the month. President Tom Orlando was pleased his club members got to experience such a special day.

Before the cruise in began, members partnered with The Villages Photography Club to have personal individual portraits of their cars taken.

Orlando said the photos of the cars will be compiled and added to the club's 2022 calendar.

The club began in 1977 with just a handful of people who shared a common interest in Jaguars, and since has grown to a membership of more than 200 at its peak.

"We have events like this where we get together to show our cars," he said. "But we also take trips and just get together to talk about our cars and what we love about them."

Orlando loves the sports cars for their look and power, as well as how they feel when you drive them.

Jaguars are a more compact car that is low to the ground, allowing you to "feel" more of the road with bumps and turns, which can make for a

more thrilling ride.

After the portraits were completed, members had a club meeting at Amerikanos Grille and went over the usual club notes.

Club members had their cars rolled into their spots before the event started to make sure everything looked good for when guests started to stroll.

Drivers parked dozens of their cars into spot after

One common thing among car people is we love to talk about our cars. If you ask us a question about our cars you might have to prepare yourself for a bit of a speech."

TOM ORLANDO

president*

spot, turning the square into a hub for Jaguars and car enthusiasts.

The energy on the square picked up as the band Blond Ambition started its set as the day's entertainment. Music floated over the crowd as people asked about the cars.

"One common thing among car people is we love to talk about our cars," Orlando said. "If you ask us a question about our cars you might have to prepare yourself for a bit of a speech."

Tony Guerra, left, of the Village of Dunedin, talks about his 1967 1/2 Jaguar XKE on Saturday with fellow Jaguar owner Chris Fagan, of the Village of De Luna, during the cruise in at Spanish Springs Town Square.

Following the photo shoot with The Villages Photography Club, JCOF's August membership meeting was held at Amerikano's restaurant on the old Village Square. President Tom Orlando was unable to attend, so Vice President Pavel Vacata filled in.

The photo of our harried waiter provides evidence that the restaurant was quite noisy, so Pavel made the meeting blessedly brief. JCOF Secretary, Genie Sierra, was spared taking the minutes since no one could be heard anyway. Even so, it was kinda nice to be able to shout at friends without their taking offense.

Amerikano's food was delicious. Servings were more than adequate and were quite reasonably priced.

Outside, the covered patio featured a full beverage bar and live entertainment. Welllllll, they were quite lively and quite entertaining, even if their talents might not have been described as "Gifted." Later in the day as libations flowed, they started sounding pretty good!

Jaguar Club Meeting and The Villages Classic Car Show (No cars newer than 1991 were allowed)

After lunch, a friendly gentleman waved me to a seat at the bar. Using the 640mm zoom lens on my faithful FujiFilm camera, I got some great photos while seated in shaded comfort enjoying a cold one!

While touring a Scotch whiskey distillery, Sir Winston Churchill is reported to have said:

"So much work to do. So little time in which to do it."

That pretty well described my thinking as I watched almost 200 classic cars being parked around the old Village Square. Sooooo, I forced myself away from the shady bar and cold brew and onto the streets to enjoy lots of "car candy" for dessert.

Jaguar Club Meeting and The Villages Classic Car Show (No cars newer than 1991 were allowed)

The Villages Classic Car Show is the third Saturday in each month and is highly recommended.

“Preserving Jaguar History”

The Jaguar Club of Florida was a founder of the “Coventry Foundation Club Patron” concept and remained steadfast supporters of this worthy organization.

There are now fifteen JCNA affiliated clubs as well as one independent club that have signed up to meaningfully support the Foundation on a continuing annual basis.

Since the inception of this program the Coventry Foundation has grown exponentially. We now have 9 Classic Jaguar automobiles, enormous amounts of literature and reference material, the largest Jaguar tool collection in the world, and a wealth of art work and memorabilia. The scholarship program continues to support a needy student in the art of automotive restoration.

The Foundation is very active in loaning tools to members and serving as the “go to” source for technical and historical information. The storage space for all this material has tripled. All of this growth, as well as the expanding mission of the Coventry Foundation has come with growing expenses.

We would like to count on our loyal Club Patrons to supply the Foundation with a reliable source of income to support a portion of the fixed costs. A yearly donation of \$250 (or more) will greatly add to the stability of the organization and enable our continued growth in the future.

Most clubs allocate some funds to annual donations. The Coventry Foundation (thanks in large part to Tom Wright) is a 501 3 (c) charitable organization with extremely low overhead that directly supports your hobby.

Midway through this awful year is a terrific time to do something good for our Jaguar community by renewing the commitment and making the \$250 donation.

Thanks again, your support has been invaluable to us.

Sincerely,

COVENTRY FOUNDATION

Become a Patron of the Coventry Foundation with a \$50 donation today

The Foundation has been created by passionate Jaguar® people who donate their time, resources, and services with the goal of better serving the Jaguar® Heritage and preserving the marque for future generations. We aim to leave a legacy for our children's children so that they will be able to appreciate and continue with the work that we started.

The foundation is anticipating opening museums, where Jaguar® cars, books, memorabilia, and related material will be housed and viewed by the public. We are requesting that JCNA members donate any classic Jaguar® related items they can to help form these new museums.

All donations are tax deductible, as the foundation is set up as a 501c3 non-profit, and we encourage all Jaguar® enthusiasts to donate what they can to get the wonderful **Coventry Foundation** museums filled with vintage Jaguar® items. The **Coventry Foundation** will accept donations such as Jaguar® cars, Jaguar® parts, Jaguar® tools, Jaguar® books, Jaguar® memorabilia, and financial donations. Financial donations can be made online through the Foundations website, or by check. Become a patron of the foundation for a \$50 or more donation per year.

The Foundation will give back to the community in many ways:

- Provide annual scholarships to students interested in Jaguar® Automotive Restoration.
- Provide tools of the trade to participating students in Jaguar® restoration programs.
- Be a resource for historical information related to the heritage of Jaguar® Automobiles.
- Provide a forum for the exchange of information and ideas for Jaguar® enthusiasts.
- A specialty tool loan program, with specialty tools available for students.
- Promote the hobby and encourage people of all ages to become involved with Jaguars®.
