# President's Message

President Tom Orlando

*Greetings Jaguar Club Members,*

It's my pleasure to address you as your club president for the first time. Let's start by waving goodbye to last year and the pandemic. Our monthly meetings will return on the 3rd Saturday of each month. Our next meeting is July 17, 11:00 AM at the Orlando Auto Museum in [Dezerland Park](#), 5250 International Drive, Orlando. Please let me know of any topics or events you would like to discuss.

Only 13 months after originally scheduled, our 33rd Annual Concours d'Elegance went on without a hitch, thanks to co-chairmen Juan Sierra and Will Hoehndorf. They could not have done it without all the help from Delila Davis! Thanks also to Pavel Vavcata for designing and procuring the elegant awards.

Our pre-concours Judges' meeting had a record-breaking 25 certified and apprentice judges anxiously wanting to work. Chief Judge, Tom Wright, reminded all of the strict JCNA rules. In the absence of Danny Bogdany, Erik Klerholm agreed to act as "Scrutineer."

Saturday evening's Gourmet Banquet was far above expectations at the Marriott, where "service" had true meaning. Delilah's decorations were spectacular, and presentation of awards went quickly with her assistance.

Several of our members never knew we have steep, rolling hills in "flatland" Florida until they followed our Rally Master Extraordinaire, Jay Hixson, on a Fun Run Road Rally. We wound up with a fascinating tour of Paquett's Farmall Tractor Museum near Leesburg, FL. (How does Jay find these interesting places)? Even better, he arranged lunch to be catered by what must be Florida's best Bar-B-Q!

Our phantastic photographer, Robert Delmar, made hundreds of [Fun Photos](#) which webmaster, Judy Delmar, posted at [www.JaguarClubFL.com](http://www.JaguarClubFL.com). You can download any or all photos for free, or order prints, coffee mugs, greeting cards, etc. at Robert's wholesale cost.

With your help, my plans for the upcoming months include interesting guest speakers, events, tech sessions, road rallies, a slalom, ++++. Our lives are getting back to "normal" again! We'll rotate meetings to places so members might drive a little less and enjoy a little more. With your help. We will attract new friends and new members who want to belong to "The Funnest Car Club in Florida!"

## ABOUT OUR JAGUAR CLUB

The Jaguar Club of Florida (JCOF) was founded in 1977 by a small group of enthusiasts who had a common love of ownership, operation and maintenance of the world's most beautiful automobiles – Jaguars. From that modest start with a handful of participants, JCOF has grown to almost 200 active members, affiliate spouses and friends. JCOF is proudly affiliated with Jaguar Clubs of North America, Inc. (JCNA), an organization comprised of more than sixty clubs throughout the United States, Mexico and Canada.

Membership in JCOF automatically includes: membership in JCNA; subscriptions to both the award-winning *JAGWire* newsletter and the JCNA *Jaguar Journal* which are delivered bi-monthly; discounts on insurance at Hagerty Insurance; deep discounts on JCNA Shoppe purchases and Jaguar Heritage Certificates; discounts from other commercial suppliers, and access to the JCNA Tool Loan Program.

JCOF members participate in a myriad of events including driving venues such as tours, rallies and slaloms; monthly brunch or dinner meetings; Holiday and Summer Splash parties; our annual Jaguar Only Concours d'Elegance, and other 'pop-up' events such as car shows; Cars & Coffee get-togethers, and breakfasts with other car clubs. We encourage family participation and many members bring children, grandchildren and friends to our events.

In addition to *JAGWire* newsletter, we communicate with members about local news and event information through electronic mail updates, websites and webpages. Check out prior editions of our award-winning newsletters at [www.JaguarClubFL.com](http://www.JaguarClubFL.com). After joining JCOF, you will receive your membership card from JCNA, and after you've attended your first JCOF event, you will receive a JCOF name tag.

If you have any questions regarding membership, please contact the JCOF Membership Chairperson:

*Hello Fellow Cat Drivers,*

If you know someone who has not yet renewed membership in JCOF or someone who either owns or admires Jaguar automobiles, please contact them and ask them to ***Join Us For Fun!***

Tell them about our "Best Jaguar Club in North America Website" [www.JaguarClubFL.com](http://www.JaguarClubFL.com) where they can click the [JOIN/RENEW](#) tab at the top of the page and pay the modest fee online.

Remind them to add a co-member or spouse and be sure to include both email addresses.

In case you've already renewed but forgot to add your own co-member/spouse, simply complete another renewal form, and pay only \$10.00. S/he will receive voting rights, a name tag after attending one JCOF event, plus individual copies of *JAGWire* e-Magazine. Don't forget to include her/his email address.

### EDITOR'S NOTE:

Steve Handler, who has served so capably as Membership Chairman for many years, has been quite ill in recent months.

If you know of someone who recently joined our club but has not been receiving information or editions of *JAGWire*, please let me know.

We hope that Steve gets well soon and will continue doing the job as Membership Chairman he has done so well for so many years.

## OH! WHAT FUN WE HAD!

Finally, after 13 long, boring months of Covid seclusion, JCOF's 33rd Annual Concours d'Elegance was held!

The Marriott at Lake Mary exerted every effort to make facilities as 'Covid-Safe' as possible. Most all of our attendees were wise [we don't use the word 'old'] enough to have had vaccines, but masks and distancing were the order of the day. Even so, many of us couldn't help from hugging friends we've not seen in so many months.

I'm not sure, but this may have been the best attended JCOF Concours weekend ever. A record number of JCNA Certified and Apprentice Judges

attended Saturday morning's orientation, and most participated in teams to assure objective judging of the highest standards was done.

Though many CatDrivers attended only on Saturday, 70 stayed for the our sumptuous gourmet dinner and awards presentations. Most met at 8:15 Sunday am to be led on an exciting Fun Run Road Trip by Jay and Karen Hixson. Who woulda 'thunk' a Tractor Museum would be so fascinating or Bar-B-Q lunch could be so good?

Many exciting things happened over the weekend and I made hundreds of photos. Unfortunately, I was beginning to suffer from what would become a long and lingering illness, so I retreated to the hotel and missed photographing a number of cars competing in the Concours.

## SPECIAL ANNOUNCEMENT

This special 'Concours' edition of JAGWire replaces the March-April and May-June editions.

If you have some good photos, especially of some concours cars I may have missed, please send them to me. I will add them under the **FUN PHOTOS** tab in our JCNA award winning website: [www.JaguarClubFL.com](http://www.JaguarClubFL.com) where you can download photos to your computer and order prints, coffee mugs, posters, etc. at wholesale. **Such a Deal!**

## JCNA JUDGE TRAINING

**Lady Justice might be blind, but CatDrivers who earn certification to be JCNA Concours Judges certainly are not. Each judge must attend special training classes designed and required by JCNA to assure that standardized rules are followed at every JCNA sanctioned concours throughout North America.**

**JCOF's Chief Judge, Tom Wright provided 'refresher' training for 25 JCNA members seeking re-certification and apprenticeship status on the day of JCOF's 33rd concours. They then divided into teams to judge 46 exquisite Jaguar automobiles competing in 20 different classifications. Those meticulously prepared Jaguars were proudly displayed by entrants from 11 different JCNA affiliate clubs. Check their scores on the following pages.**

# JCOF'S ELEGANT 33rd Annual CONCOURS AWARDS BANQUET

By Delilah Davis, Concours Coordinator

After a long postponement of JCOF's 2020 Concours, things finally began to take shape for 2021. At the final meeting of our committee, we had a count of 46 participants, meaning headcount, not registered cars. That brought a sigh of relief as we were required by the Marriott to have at least 40 attendees for the Banquet. Though we had a deadline for registering, that did not stop the numbers from continuing to grow. There was a new count every day. We ended up with about 46 registered cars, plus or minus 3 or 4 that showed up at the last minute.

I had created the banquettable arrangements the year before, so those had to be opened back up and re-constructed. As registrations increased, three additional centerpieces were created and we had a final count of 70 people attending the banquet. The banquet was a lovely occasion. The food was exquisite, the service was excellent and the awards were especially spectacular. Awards were designed by Delilah Davis and Erik Klerholm and produced by Pavel Vacata.

I had two very special trophies designed and presented in memory of Tom Curren. The Peoples' Choice award went to Chris Lipinsky and the Judges' Choice award to Eduardo Zavala (see cover photos). I also donated a smaller version of the Leaper to Jay Hixson for his enormous contribution of time arranging our Rallyes and Road Trips.

To my great delight, I was awarded the Walter C. Hill "Tarnished Trophy" award

—a wonderful honor.

'King' Dan Middleton arrived in full regalia to present the President's Meritorious Award to Danny and Dianna Bogdany. Unfortunately, they were not in attendance. Tom Orlando was inducted as our new President and Pavel Vacata was inducted as our new V.P. Tom Wright, our Chief Judge, announced his retirement and appointed Erik Klerholm as his successor.

Left to Right: Tom Orlando, incoming president; Juan Sierra, Concours Chairman; Will Hoehndorf, Concours Co-Chairman; Erik Klerholm, outgoing president and new Chief Judge; Tom Wright, now Chief Judge Emeritus.

I hope you enjoy Robert Delmar's phantastic photos in this issue of JAGWire. Be sure to see even more from this wonderful weekend and other events by clicking the [Fun Photos](#) tab at our website, [www.JaguarClubFL.com](http://www.JaguarClubFL.com).

*Delilah*

Who woulda ‘think’ that a visit to a museum of antique tractors would turn out to be a really great fun-filled event? BUT when JCOF’s Rally Master Extraordinaire, Jay Hixson, takes us on a Road Trip, it’s always an adventure with lots of surprises!

Those who attended the JCOF Concours but who didn’t sign up for Sunday’s Road Trip really missed the fun. **[Don’t let that happen next year!]**

Though somewhat weary from Saturday’s concours and still satiated from the evening’s elegant awards banquet and extravagant cuisine, a number of JCOF stalwarts bravely lined up to follow Jay and Karen Hixson’s blue F-Type convertible to parts unknown. Some followers never knew that central Florida had some pretty steep hills. Equally exciting were the narrow, twisty roads that gave us a chance to enjoy the handling qualities of our Jaguar automobiles. Stick shifts and paddle shifters got thorough workouts.

When we arrived at our destination near Leesburg, FL, the metal cutout of a buffalo on the fence gate was a tip that we were about to see some unusual things. The owner of the ranch and museum, Stewart Paquette, is quite a collector. Not only has he accumulated what is probably the largest collections of International Harvester ‘Farmall’ tractors, he also has Buffalo, cattle and horses roaming his beautiful property.

Stew Paquette is not only a collector of unusual items, he also proved to be a most gracious host. He proudly led our somewhat disorganized group on a tour of his collections. He graciously described many of his Farmall tractors that he had personally and painstakingly restored and which required constructing several buildings to contain them all. While tractors were the main display, many of us “mature” folks were delighted to see an International Harvester refrigerator — “Just like the one mama got when we finally got rid of the old ice box,” said one of our folks.

As one might expect, no event with “The Funnest Car Club in Florida” would be complete without FOOD! Our visit to Paquette’s Place was no exception. BUT, what a surprise when we tasted what may have been Florida’s best Bar-B-Q! Good Food! Good Friends! Good Times! Who could ask for anything more?

Be sure not to miss future Jaguar Club events by frequently checking the Event Calendar on our award winning website: [www.JaguarClubFL.com](http://www.JaguarClubFL.com).

**April 13, 2021 Board of Directors Meeting Notes**

**Juan & Genie Sierras' Home, Longwood, FL**

**Meeting Facilitator: Erik Klerholm, President JCOF**

**Board Members present in person:** Juan Sierra, Genie Sierra, Erik Klerholm and Tom Orlando. Danny Bogdany joined the meeting using a Zoom internet account. **All Board members were present.**

**The Board reviewed the purpose and function of JCOF as the 2020 Concours D'Elegance was cancelled and there have been no monthly meetings since the Covid-19 emergency started last March 2020.**

**Tom wanted to discuss how the elections of the Board and Steering Council take place.**

Basic information can be found in the By-Laws of the club. The usual date for election by the membership is at the Holiday party. Due to the extraordinary Covid 19 situation no Holiday party could be held in January 2020. Therefore, the Board of Directors stayed in place and the 2021 Officers and Steering Council election will take place at the April 24<sup>th</sup> Concours dinner. Nominations from the floor will be entertained. Tom said that he wanted to investigate future meeting locations. He also had ideas about discussing jaguar repair shops at the next general meeting. Danny suggested that Tom announce at the Concours dinner when the next general meeting date and tour will take place.

**Treasurer's report: Danny Bogdany** explained the Treasurer's work. The JCOF's funds are in three accounts and the plan is to close one of the accounts and consolidate the funds. A report of the club's available funds was made and details are filed with the Secretary. The payments to JCNA for membership dues are up to date. After the new Board of Directors are elected at the Concours d'Elegance dinner in April, the newly authorized board members will update necessary documentation. 2020 Concours budget approved last year by membership will be used for the current Concours.

The JCOF P.O. Box in Maitland will be closed due to the lack of usage. All advertisers with JCOF are 100% paid up, due to the efforts of Bob Lewis. Erik discussed an email regarding a JCNA fee increase per sanction activity.

A discussion took place among the Board regarding JCOF charitable donations this year. It was agreed to ask the membership at the Concours dinner for a motion to approve donations to three or four worthy charitable organizations. The Coventry Foundation was brought up as JCOF is a founding Patron. Other past recipients were the Kidney Foundation in memory of Joe Tarnowski and Advent Health Organ Donation program in memory of John Falco. Other worthy charitable organizations can be considered.

The JCOF Concours event was discussed as it will take place shortly April 23-25, 2021 at the Marriott Hotel in Lake Mary. The work is proceeding well.

**Juan** mentioned that he has a dealership contact that will supply 2 vehicles to be display at the Concours. The dealership is also giving the club 5 certificates valued at \$200.00 each for a complete car detailing, a total donation value of \$1,000.00. These certificates will be raffled at the dinner.

The meeting was adjourned at 6:00 PM.

Respectfully submitted,

*Genie Sierra*, Secretary

## June 19, 2021 Membership Meeting Notes

Meeting Location: Bella Tuscany 13424 Summerport Village Pkwy, Windermere, FL  
Meeting Facilitator: Tom Orlando, President, JCOF

**President Tom Orlando started the meeting by leading the Pledge of Allegiance, followed by a moment of silence** in honor of those JCOF Club members who have passed. Tom then welcomed 20 members. New members present were Betsy and Scott Shepherd.

### **President's messages:**

**Tom spoke of the next JCOF Slalom to be held September 18 or 25, 2021 at the usual location in Tavares, FL. Ian Crawford has offered to host a "Freeloaders" luncheon** for all attendees to join him at his house after the event. Will Hoehndorf will include details in the email "Blast" he sends to all membership.

**Delilah Davis has offered to hold a pool party** at her home again this year. It is always a fun and relaxed event. The date and more details will be available soon.

**Tom is requesting members to send him any pictures they might have related to JCOF events**, especially the Concours in April. He will forward them to Robert Delmar to update the club's website.

**Tom opened a discussion on the \$300.00 limit on club expenditures** by authorized members that would not require a membership vote. A discussion ensued by the members. By a show of hands the new cap was approved at \$500.00.

**Wil Hoehndorf, 2022 JCOF Concours d'Elegance chairman, gave an updated status** of the coming concours. The next year's concours will be held at the same location as year's location, the Marriott Hotel in Lake Mary. He was able to reserve a block of rooms at the hotel for participants at the Concours. Details to follow as information is firmed up.

### **New business:**

**Tom Wright made comments on judging needs for the International Jaguar Festival being held in Ft Myers October 20-23, 2021.** The JCNA rules change is expected after the national AGM in August that will require all judges to be requalified on a yearly basis. A judges training, to qualify more judges for the IJF, will be offered by Craig Kerins, Southeast Regional Director and judge, on July 10<sup>th</sup> in Venice, Florida. Volunteer judges are needed from our club.

Tom noted that any member taking the training in July will be prequalified for the IJF in October and JCOF's concours in 2022. The first-time trained judges would be able to work as an apprentice judge at the IJF and then qualify to be a full judge at the JCOF concours next spring. Information to follow as details are firmed up.

**A lively 50/50 raffle** was held with the proceeds going to the club's treasury.

### **Jaguar Events of Interest:**

**Read our email flyers** from Will, check out Facebook, and [www.JaguarClubFL.com](http://www.JaguarClubFL.com) for the Current Events Calendar.

**September 18 or 25 JCOF next JCOF Slalom** will be held in Tavares, FL. TBD

**October 20-24, 2021 International Jaguar Festival in Ft Myers, FL. Registration is online.**

Activities include REVs Museum, Boat/Tour, Rally/Tour, Concours, Slalom.

**August 26-28 Columbia, SC Annual General Meeting (AGM)** and Coventry Foundation Tours.

**The next JCOF monthly meeting will be held July 17, 2021 at 11:00AM at Dezerland Park, 5250 International Drive, Orlando, FL 32819**

Respectfully submitted,

Genie Sierra, Secretary of Jaguar Club of Florida

## The Coventry Foundation

7001 St. Andrews Rd. Suite 105

Columbia, SC. 29212

<https://coventryfoundation.org>

### **“Preserving Jaguar History”**

The Jaguar Club of Florida was a founder of the “Coventry Foundation Club Patron” concept and remained steadfast supporters of this worthy organization.

There are now fifteen JCNA affiliated clubs as well as one independent club that have signed up to meaningfully support the Foundation on a continuing annual basis.

Since the inception of this program the Coventry Foundation has grown exponentially. We now have 9 Classic Jaguar automobiles, enormous amounts of literature and reference material, the largest Jaguar tool collection in the world, and a wealth of art work and memorabilia. The scholarship program continues to support a needy student in the art of automotive restoration.

The Foundation is very active in loaning tools to members and serving as the “go to” source for technical and historical information. The storage space for all this material has tripled. All of this growth, as well as the expanding mission of the Coventry Foundation has come with growing expenses.

We would like to count on our loyal Club Patrons to supply the Foundation with a reliable source of income to support a portion of the fixed costs. A yearly donation of \$250 (or more) will greatly add to the stability of the organization and enable our continued growth in the future.

Most clubs allocate some funds to annual donations. The Coventry Foundation (thanks in large part to Tom Wright) is a 501 3 (c) charitable organization with extremely low overhead that directly supports your hobby.

Midway through this awful year is a terrific time to do something good for our Jaguar community by renewing the commitment and making the \$250 donation.

Thanks again, your support has been invaluable to us.

Sincerely,

## COVENTRY FOUNDATION

### Become a Patron of the Coventry Foundation with a \$50 donation today

The Foundation has been created by passionate Jaguar® people who donate their time, resources, and services with the goal of better serving the Jaguar® Heritage and preserving the marque for future generations. We aim to leave a legacy for our children's children so that they will be able to appreciate and continue with the work that we started.

The foundation is anticipating opening museums, where Jaguar® cars, books, memorabilia, and related material will be housed and viewed by the public. We are requesting that JCNA members donate any classic Jaguar® related items they can to help form these new museums.

All donations are tax deductible, as the foundation is set up as a 501c3 non-profit, and we encourage all Jaguar® enthusiasts to donate what they can to get the wonderful **Coventry Foundation** museums filled with vintage Jaguar® items. The **Coventry Foundation** will accept donations such as Jaguar® cars, Jaguar® parts, Jaguar® tools, Jaguar® books, Jaguar® memorabilia, and financial donations. Financial donations can be made online through the Foundations website, or by check. Become a patron of the foundation for a \$50 or more donation per year.

#### The Foundation will give back to the community in many ways:

- Provide annual scholarships to students interested in Jaguar® Automotive Restoration.
- Provide tools of the trade to participating students in Jaguar® restoration programs.
- Be a resource for historical information related to the heritage of Jaguar® Automobiles.
- Provide a forum for the exchange of information and ideas for Jaguar® enthusiasts.
- A specialty tool loan program, with specialty tools available for students.
- Promote the hobby and encourage people of all ages to become involved with Jaguars®.
