Hello Cat Lover!

Thanks so verrrrry, verrrrry much to Delilah and Don for the *WONDERFUL* Summer Splash party for which they both worked so hard to make *THE BEST EVER!* The cake honoring the twins' 85th was made even better with Marilyn Middleton being there to celebrate her 94th and Sylvia Thomas' upcoming birthday. Happy birthday also to all the other summer birthdays! 🥰

Delilah Davis might have busted her budget, and certainly busted Don's butt, to yet again remodel and redecorate her fantastic party home to entertain Jaguar Club fun lovers. If you didn't have fun at this party, it's only because you weren't there. We hope you will join us next year!

SUMMER REVIEW

JUNE: The club enjoyed an exciting behind-the-scenes tour of the Daytona International Speedway. Attendees enjoyed a guided tour of the Speedway museum along with a tour of the grounds. Lunch and a brief meeting followed at the Brickyard Lounge and Grill.

JULY: The club traveled to Paul Tsikuris Classic Car Shop. Paul is a world-class restorer and maintainer of mostly British Classic Cars. His shop has been in business for 44 years and he is especially known for his restoration of Jaguars and Austin Healeys. The shop is tucked away among beautiful old oak trees in Kathleen, Florida.

AUGUST: Of course, August was our annual Splash Party. Please be sure to view the pictures in the link above. If you attended and took photos, we'd love to add them to the gallery! Please forward your party pictures to Robert@RobertDelmar.com.

RETURNING HOME

Many of our stray Cats are starting to straggle in from trips long or short. Guinness and I fled the heat of Key West, FL and headed to Upstate South Carolina. We discovered, not surprisingly, that she much prefers cooler temperatures! While there, Guinness enjoyed long morning walks, frolicking in the yard, and listening to local musicians.

We would love to hear about your summer adventures! Please submit pictures and/or stories to webmaster@jaguarclubfl.com.

If you were not able to attend one or more of the meetings or activities while you were away, please click the link here or the button below to visit the Fun Photos tab on our website to see what you missed.

LAUGHTER IS THE BEST MEDICINE

A man visited his doctor. The doctor checked him over before commenting, "it looks like you get a fair bit of exercise."

The man replied, "Oh yeah, in fact, just the other day I walked 5 miles over rugged terrain, as I climbed over rocks and trees. I also waded along the edges of a lake, pushing my way through tall thistles, and even slid down sandy slopes while getting sand in my eyes."

The doctor was quite impressed. "Well, your are certainly a dedicated outdoor enthusiast."

The man replied, "Not really doc, I'm just a very bad golfer." 😄😄
